

Accommodation Block Welcomes Intro Week 2009

Come along to meet your Resident Support team and find out everything you need to know about living in your block. Everyone'll be there, so it's a great chance to get to know the other students in your block if you haven't already had the chance to say hello. Students from the Community Development Committees (CDCs) will also be around so you can get loads of information about what they do to make your Community a great place to live and find out how to get involved yourself.
