

PhD Studentships for Entry 2012-13

The Faculty of Medicine, Dentistry and Health at the University of Sheffield, has nine 3-year Faculty funded PhD studentships to start in October 2012.

By becoming a postgraduate research student in the Faculty of Medicine, Dentistry & Health, you will be joining teams that are undertaking exciting, world leading research in healthcare. You will also benefit from a structured development scheme that will enable you to become a high level professional with a series of generic skills, subject-specific and technical skills.

Projects:

Projects are available in the following areas:

- **Cardiovascular Science**
- **Dentistry**
- **Health Related Research**
- **Human Communication Science**
- **Human Metabolism**
- **Infection & Immunity**
- **Oncology / Cancer Research**
- **Neuroscience**
- **Nursing & Midwifery**

For a list of available projects please visit the Faculty's website,

<http://tinyurl.com/c74ouzy>

Funding:

The studentships fund:

- A stipend at the RCUK rate (£13,590 in 2011-12)
- Fees at the UK/EU rate (international students will have to self-fund the overseas element of the fee)

How to apply

Please complete the University's online application form (www.sheffield.ac.uk/postgraduate/research/apply), following this you will be provided with an application number. You will need this to complete the scholarships application form (www.sheffield.ac.uk/postgraduate/research/scholarships/studentapplication).
