

The  
University  
Of  
Sheffield.

International  
Exchanges  
Unit.

## Important - Restricted Course Choices

### Background

Some departments close or restrict modules to non full degree students.

This can be for a variety of reasons including; professional accreditation issues, set Sheffield pre-requisites, quota and class sizes etc.

Below you will find information about Architecture, Biomedical Science, History, Human Communication Science, Journalism, Molecular & Biomedical Science, Politics and Psychology.

Please ensure you read this very carefully, you will not be allowed to study modules which closed or not open to you.
