

Publications:

Best, W., Grassly, J., Greenwood, A., Herbert, R., Hickin, J., Howard, D. (in press). A controlled study of changes in conversation following aphasia therapy for anomia. *Disability & Rehabilitation*.

Herbert, R. & Best, W. (2010). The role of noun syntax in spoken word production: Evidence from aphasia. *Cortex*, 46, 329-342.

Herbert, R., Hickin, J., Howard, D., Osborne, F. & Best, W. (2009). Do picture naming tests provide a valid assessment of everyday functional lexical retrieval? *Aphasiology*, 22/2, 184-203.

Best, W., Schroder, A., Herbert, R. (2006). An investigation of a relative impairment in naming non-living items: theoretical and methodological implications. *Journal of Neurolinguistics*, 19, 96-123.

Hickin, J., Herbert, R., Best, W., Howard, D. & Osborne, F. (2006). Efficacy of treatment: Effects on word retrieval and conversation. In *Aphasia Therapy File (Vol. II)*, S. Byng, K. Swinburn & C. Pound (Eds.), (69-82). Hove UK: Psychology Press.

Herbert, R., & Best, W. (2005). A deficit in noun syntax representations in aphasia. *Brain and Language*, 95, 94-95.

Herbert, R., Best, W., Hickin, J., Howard, D. & Osborne, F. (2003). Combining lexical and interactional approaches to therapy for word finding deficits in aphasia. *Aphasiology*, 17, 1163-1186.

Best, W., Herbert, R., Hickin, J., Howard, D. & Osborne, F. (2002). Phonological and orthographic facilitation of word retrieval in aphasia: short and long term effects. *Aphasiology*, 16, 1/2, 151-168.

Hickin, J., Best, W., Herbert, R., Howard, D. & Osborne, F. (2002). Phonological therapy for word finding difficulties: a re-evaluation. *Aphasiology*, 16, 981-999.

Hickin, J., Best, W., Herbert, R., Howard, D. & Osborne, F. (2002). Phonological therapy for word-finding difficulties: a re-evaluation. In *Macquarie Monographs in Cognitive Science: Rehabilitation of Spoken Word Production in Aphasia*, L. Nickels (Ed), 981-1000. Hove: Psychology Press

Bruce, C., Parker, A. & Herbert, R. (2001). The development of a self-directed and peer-based clinical training programme for final year speech and language therapy students. *International Journal of Language and Communication Disorders*, 36, 401-405.

Herbert, R., Best, W., Hickin, J., Howard, D. & Osborne, F. (2001). Phonological and orthographic approaches to the treatment of word retrieval in aphasia. *International Journal of Language and Communication Disorders*, 36, 7-12.

Hickin, J., Best, W., Herbert, R., Howard, D. & Osborne, F. (2001). Treatment of word retrieval in aphasia: generalisation to conversational speech. *International Journal of Language and Communication Disorders*, 36, 13-18.

Best, W., Hickin, J., Herbert, R., Howard, D., & Osborne, F. (2000). Phonological facilitation of aphasic naming and predicting the outcome of treatment for anomia. *Brain and Language*, 74, 435-438.
