--

Date: .....

Signature: .....

**Notes:**

Please indicate, as accurately as possible, the area of study in which you are interested (including, if appropriate, any specific modules).

It will also assist us in considering your application if you can forward a transcript of your record at your own University or college, and two academic references, with your application.

1. Please note that the completion of this form does not imply that you will be accepted for study at the University of Sheffield.
2. The University of Sheffield is not in a position to offer financial support.
3. Whenever possible University transcripts should accompany this form. Transcripts sent separately should clearly state the department to which you have applied. Non-UK students should also indicate their proficiency in oral and written English Language.
4. If you wish to add further details to your formal application, please attach them to this form.
5. Modules on individual taught postgraduate programmes are usually delivered within a single semester (September - January, or February - June) over the academic postgraduate year. As such, it may not be possible to offer the entire range of modules within a single semester.
6. If you are admitted as a Visiting Student, you will be charged the appropriate fee and will be entitled to attend lectures, seminars, tutorials, laboratory work, etc in exactly the same way as those students in the same departments who are reading for a particular qualification at the University. You may also, if you wish, be assessed in the same way.
