Level 6
University House.

Application to use an unlisted Calculator in Examinations.

Form to be completed and submitted with evidence (usually a photocopy of the keypad) to SSiD in the Union of Students as follows:-

For exams in January/February 2008 an application is required by 14 December 2007. The decision will be available from SSiD by 17 December 2007.

For exams in May/June 2007 an application is required by 9 May 2008. The decision will be available from SSiD by 12 May 2008.

Please answer all questions by ticking P the appropriate boxes.

		YES	NO
1.	Is the calculator silent?		*
2.	Is it battery or solar-powered (i.e. does not require external power supply)?		*
3.	Is it capable of storing and/or displaying alphanumeric text, data or formulae?	*	
4.	Is it capable of having any text data added either internally or externally (e.g. plug in modules, floppy discs etc.)	*	

If any P (tick) fall in the boxes shown with an *, your calculator will not be “Approved” for use in University examinations. An attempt to use this calculator will be treated as “unfair means” in examinations

All applications will be checked and you may be contacted to provide further information. If there is any doubt about the calculator it will be “Prohibited”.

Spare calculators are supplied in all exam halls.
