

National Recruitment Total = 421

Congratulations to everyone on exceeding one third of our recruitment target, over 400 have been recruited, only 800 to go! Bradford recruited the 400th patient.

SPOTLIGHT ON..... CONSENT

- Every patient pack contains two consent forms. If you obtain oral consent first, remember to go back and get written consent when the patient is feeling better on the 2nd form
- Remember a witness signature is required for both oral or written consent

Well done to
Edinburgh
who have
recruited
their 100th
patient!
