

Congratulations!

Recruitment to BEADS is now complete

The final recruitment figures are:

48 participants and 28 carers

**Thank you to everyone for all your
hard work with recruitment**

SPOTLIGHT ON: Change to Study Staff

Shirley Thomas and Sarah Eshtan have now commenced their maternity leave.

Avril Drummond will cover the role of CI

Gemma Hackney will cover the role of Trial Manager

Please contact Gemma with any queries on 0114 222 4320 or g.hackney@sheffield.ac.uk

Best wishes to Shirley and Sarah!

Data Entry & Discrepancies:

At this stage in the study we are keen for you to keep up to date with your data entry and your discrepancies. We would like to ensure all discrepancies are resolved for the screening and recruitment forms ASAP.

Please contact Gemma if you have any queries or would like to go through them over the phone.

Study Update:

- Therapy sessions are ongoing until the end of August for those participants in the intervention arm.
- Outcome assessments have commenced and will be ongoing until the end of October/November.
- Qualitative interviews are due to start as soon as possible.
