 TERMS OF REFERENCE:

To actively promote continuous improvement in health and safety across all activities and premises of the University for the benefit of staff, students, visitors and contractors; and to provide assurance to UEB that the health and safety arrangements in place are suitable and sufficient, being complied with, and being effectively implemented by:

1. Reviewing annually the University’s Health and Safety Policy and arrangements and the Health and Safety Risk Register.
2. Encouraging co-operation between University and campus Trade Unions.
3. Studying trends of accidents, incidents, dangerous occurrences and notifiable diseases and making recommendations for corrective actions to relevant services.
4. Receiving and considering reports and facilitating discussion on topical matters pertaining to Occupation Safety & Health, Public Safety at Public Health and their impact on the University and reporting to UEB as appropriate.
5. Receiving and considering reports of accidents and incidents, and to note where improvements can be made.
6. Receiving and considering relevant audit and inspection reports from Health and Safety, relevant Working Groups and sub-groups to the Committee.
7. Receiving and considering health and safety inspections from University recognised Trade Union Representatives and determining actions and priorities.
8. Receiving and considering the implications for the University of inspections and audits by, and reports and information from, Enforcing Authorities.
10. Receiving regular reports on the business of Working Groups, Key Risk Review Groups and sub-groups to the Committee and strategic items raised by Faculties and Professional Services Representatives. Receive such information from these forum as required to be assured in relation to key risks, including but not limited to:
   (a) Fire Safety;
   (b) Legionella;
   (c) Asbestos Management;
   (d) Environmental Performance and Waste Management.
11. Monitoring the adequacy and effectiveness of health and safety communications and publications.
12. Assessing and monitoring the impact of new or amended legislation on the activities of the University, evaluating Safety Policies and approving minor revisions and/or making recommendations to UEB for substantive or major operational changes.
15. Reviewing annually the University’s Health and Safety Policy and Arrangements.
16. Ensuring a robust health surveillance programme is in place.
17. Ensuring robust procedures are in place for the management of wellbeing protocols.

Reports to: University Executive Board.
