UEB Student Mental Health Strategy Group

Terms of reference:

1. To oversee the delivery of the ‘Mental Health Strategy’ and ensure its continuing relevance in allowing the University to respond proactively to changes in the external policy and legislative environment.

2. To define a sustainable scope and scale of support for internally provided services particularly with reference to Out of Hours support.

3. To understand and proactively manage inter-linkages with other policies and activities within the University, and also with external agencies working in the same areas, in order to streamline provision and avoid duplication of activity where relevant, whilst recognising our particular duty of care responsibilities to students.

4. To advise and make recommendations to UEB on matters relating to student mental health and welfare.

Reports to: University Executive Board.
