NOTES OF GUIDANCE RELATING TO THE PAYMENT OF FEES AND EXPENSES TO EXAMINERS OF HIGHER DEGREES BY RESEARCH

These notes set out the University’s guidance for examiners of Higher Degrees for payment of out of pocket expenses in addition to the agreed examination fee.

In all cases the name of the student to whom the payment relates should be quoted and evidence of expenses (such as scans or photographs of receipts) should be provided. Please note that credit card slips are not acceptable as receipts. It may not be possible to pay expenses which are not accompanied by appropriate supporting evidence. It is advisable that you retain copies of any receipts and claim form until the claim is paid.

Research Services has a limited budget to pay fees and expenses to examiners of higher degrees by research. **Payment claim forms and receipts should be returned to pgr-enquiries@sheffield.ac.uk for payment.** You are asked to submit the Payment Form for payment of fees and expenses, with scanned receipts to support the expenses, within three months from the date of incurring the expenses.

**GUIDANCE FOR EXTERNAL EXAMINERS OF HIGHER DEGREES**

**EXTERNAL EXAMINERS** are paid a fee (see below) and are entitled to be paid for out-of-pocket expenses they have incurred in delivering the examination services. A Payment form is sent with the thesis, copies can also be downloaded from: [https://www.sheffield.ac.uk/research-services/code/publications-forms#examiners](https://www.sheffield.ac.uk/research-services/code/publications-forms#examiners)

**Travel Expenses**

External examiners are asked to travel by Standard Class rail wherever possible (Peak rates are acceptable). However should they choose not to do so, the University will only pay an amount equal to the cost of a Peak Standard Class fare. **If travelling from outside the UK, air travel should be agreed with Research Services in advance of making a reservation.** Travel from airports to Sheffield should be by Standard Class rail wherever possible. Motor mileage can be claimed at 45p per mile and will be paid where travel by car is essential. However the use of a private vehicle would be regarded as exceptional where rail services are available for journeys exceeding 40 miles from Sheffield. The University of Sheffield is actively involved with the ‘Green Initiative’ campaign. A claim may be made of 20p per mile for bicycles and 24p per mile for motorbikes.

**Accommodation Expenses**

There are a number of hotels conveniently located close to the University. The current weekday rate at these hotels varies, but rooms can be booked for around £75 - £85 per night, including breakfast. Accommodation costing in excess of this should be agreed with Research Services in advance of making a reservation and we reserve the right not to pay accommodation costs incurred in excess of £100 per night. Research Services will only pay for the number of nights required to conduct the viva (normally one and a maximum of two). The University will not pay for additional costs such as mini-bars, newspapers and telephone calls.

**Out of pocket expenses**

The University will pay the cost of meals while the examiner is delivering the examination services up to a maximum of £50 (where an evening meal and lunch are both required.) Receipts must be provided to support the expenses. The University does not pay for alcoholic drinks or discretionary tips. The University reserves the right to decline...
payment, either in part or in full, of any item that is considered to be unreasonable or excessive.

GUIDANCE FOR INTERNAL EXAMINERS

INTERNAL EXAMINERS are members of staff at the University. They are not paid an examination fee, if they carry out the duties of an examiner, and they cannot claim subsistence allowances, because their place of work is at the University.

Where Internal Examiners attend a meal with a Higher Degree Examiner, this may be treated as allowable entertaining and they are entitled to claim up to a maximum of £25 for their meal, with the external examiner. Original receipts must be provided. Please note that credit card slips are not acceptable as receipts. Meals for additional members of staff (e.g. supervisors, students) are not allowable expenses for staff and the University will not reimburse these costs unless the event meets the conditions in the Regulations to be treated as entertaining.

Other than in very exceptional cases (e.g. where the viva examination is not taking place in Sheffield), we would not expect to receive any expenses claims from internal examiners relating to travel.

Internal Examiners must claim on the University's Expenses Claim Form for Staff which can be downloaded from our Forms page at https://www.sheffield.ac.uk/research-services/code/publications-forms#examiners

The online myExpenses system cannot be used to reimburse expenses incurred as part of the internal examiner role. Examiners are encouraged to pay and obtain receipts for their expenses and claim them back after the event. In cases where this is not possible then the Department must pay for them in the first instance. A form is available to download from Research Services website for departments to claim such expenses at: https://www.sheffield.ac.uk/research-services/code/publications-forms#department

INFORMATION FOR BOTH EXTERNAL AND INTERNAL EXAMINERS

INCOME TAX AND NATIONAL INSURANCE

Payment of fees for external examiners for higher degrees by research only and associated out of pocket expenses for external examiners that are incurred in the performance of examination duties will be paid without deduction of Income Tax or National Insurance.

PAYMENTS

All fees and expenses will normally be paid directly into your bank account. Payments can only be made to individuals, not to organisations or institutions, using this form.

Completed forms and any enquiries about claiming expenses should be sent to pgr-enquiries@sheffield.ac.uk
