INTRODUCTION

The aim of this calendar is to reflect the wide backgrounds and experiences of our community, and to celebrate this diversity.

It is a practical resource that details religious and non-religious festivals and events, as well as international days of celebration, awareness or memorial.

It will allow us to come together as a community, to learn about one another's identities, express our own identity and to celebrate together!

This will also help with the planning of events, exams or meetings.

The religions and beliefs represented are: Buddhism, Baha'i, Christianity, Hinduism, Humanism, Islam, Jainism, Judaism, Paganism and Sikhism.

We recognise that there are many more religions and that parts of our community have no religion or belief. These are equally valid.

We work hard to include as much information as possible, and to ensure that the information and dates provided are accurate.

For more information please contact hrodadvisory@shu.ac.uk.

Thank you!
