POLICE

Remember...

Do not pass your bank details to anyone.

Banks will not call you and ask for you to share your bank details.

No police force will call you and ask for money.

Keep your personal information to yourself.

SAFEZONE

South Yorkshire
POLICE

The advertisement graphic for the SafeZone app features a dark blue background with a grid of lighter blue squares. At the top left is the SafeZone logo, which consists of a shield containing two stylized human figures. To the right of the logo is the text 'SafeZone'. Below this, the text 'A FREE safety app' is displayed in a large, white, sans-serif font. On the left side, there are three circular icons: a green cross, a white telephone handset, and a red triangle with an exclamation mark. Each icon is accompanied by a text block: 'First Aid Call For when you need medical assistance', 'Help For when you need non-emergency assistance', and 'Emergency If you feel threatened or need urgent assistance'. In the center, a hand is shown holding a smartphone. The phone's screen displays the app's interface, which includes a 'Check in Timer' at the top, a 'Check in' button, and three large, colorful buttons: a green 'First Aid' button, a blue 'Help' button, and a red 'Emergency' button. At the bottom of the graphic, the text 'Download SafeZone App on' is followed by two buttons: 'Download on the App Store' and 'GET IT ON Google Play'.
