Campus tours

We recently invested £250 million in facilities for our students. This is our chance to show you where that money goes. Whilst you get to know our vibrant city campus.

Self-guided campus tours
Get to know the campus in your own time. You can pick up a self-guided tour leaflet at the Registration Desk in The Octagon. Taking the whole tour takes between 45 minutes to an hour, but you don’t have to do it in one go. You can choose where you take yourself on the tour at a time to suit you best. You can fit it around your day and the locations you’ll be visiting for exhibitions, talks or where you’re having lunch.

Where
The Octagon. (map ref 118)

Information Hubs
Information hubs have been placed in key locations across the campus (see page 23). At these hubs you’ll be able to talk to our students and staff who will answer any questions you have. They’ll also be able to help you find your way around and talk in general about postgraduate student life at Sheffield.
We have over 100 Scholarships available worth £10k to fund talented new postgraduate students starting in 2019.

How to get here

Travelling by train to Sheffield is easy. We’re on all the mainline routes across the UK. From the train station there’s a tram roughly every ten minutes to campus. Get the blue line towards Malin Bridge and ask for a ticket to the University.

By car
It can get very busy around campus and we encourage visitors to use the tram or train to park and ride. For locations and prices see: www.sheffield.ac.uk/visitors/mapsandtravel

There are a range of parking options available in the city centre. We recommend checking the Sheffield City Council web pages for travel, parking advice and a map of public car parking available at: www.sheffield.gov.uk/home/parking

There are multi-storey car parks located on the University campus on Durham Road and Solly Street. Both these car parks are operated by Q Park – for locations and prices see: www.q-park.co.uk/parking/sheffield
