This guide is for students who are completing their visa application from outside the UK for studying at the University of Sheffield. Please read through our webpages on the Student Route for information on this immigration category.

You will need to have received a CAS from the University of Sheffield prior to starting your visa application. Please ensure the information on your CAS is accurate before proceeding.

You must apply either:

- in your country of nationality, or
- in the country in which you are living (this means a country where you are there lawfully for a reason other than a short-term visit).

It is very important to answer all the questions honestly and accurately according to your situation and personal circumstances.

There is also some guidance and further information within the form to help you understand the questions.

You can select Show and edit answers to review and amend questions you have already answered.
Application Form & Registering an account

To apply for a Student visa you will need to visit - https://www.gov.uk/student-visa/apply

Once you have read the information on this page under ‘Apply’ section, click the ‘Start now’ link (as shown below)

Apply outside the UK

As part of your application, you’ll need to prove your identity. How you do this depends on where you’re from and what type of passport you have.

You’ll either:

- give your fingerprints and a photograph (biometric information) at a visa application centre
- use the ‘UK Immigration: ID Check’ app to scan your identity document - you’ll also create or sign into your UK Visas and Immigration (UKVI) account

You’ll be told what you need to do when you apply.

Once you’ve started your application, you can save your form and complete it later.

Are you intending to live in one of the Crown Dependencies of the United Kingdom?

Answer NO to this question unless you are planning to live in Jersey, Guernsey or the Isle of Man.

Do you have a current EU, EEA or Swiss passport?

Answer this question as applicable.
If you have a current EU, EEA or Swiss passport, you will be taken through a number of screens to identify if you can use the free UK Immigration: ID Check app to scan your passport with a biometric chip and upload a photo of yourself.

**Confirm your identity**
You will need a passport with a biometric chip.

**Scan your passport and upload a photo of yourself**
To confirm your identity, you will use the free UK Immigration: ID Check app to scan your passport with a biometric chip and upload a photo of yourself.

If you are applying for someone else, the applicant needs to confirm their identity - you can help them use the app.

**If you cannot use the app to confirm your identity**
You will need to go to a visa application centre after you apply instead. Visa application centres are not available in all countries.

If Yes:

**Check you can use the app**
You can use the app on:
- an iPhone 7 or newer models
- an Android phone with near-field communication (NFC)

Check the phone's settings to see if it has NFC. The phone has NFC if you can use it to make contactless payments.

**If you do not have a phone**
Ask a friend or family member if they can use their phone. No information is stored on the app or phone after you close it.

You do not have to apply on the phone - you can do the rest of your application on your computer or another device.

We will send your decision letter by email - this can be your email or someone else's. You do not use your decision letter to prove your status.

**Does your passport have a biometric chip?**
If your passport has a biometric chip, it will have this symbol:

- Yes
- No

If No: You will need to go to a visa application centre after you apply instead. Visa application centres are not available in all countries.

**Confirm your visa type**
Select “Student”. If you are applying for another visa type, the rest of this guide will not be applicable to you.

Depending on the answer you provided about your relationship status, the next question will either ask you about your partner or if there is anyone financially dependant on you.

**Immigration history**

For either the UK or any other country, have you ever been:

- Refused a visa
- Refused entry at the border
- Refused permission to stay or remain
- Refused asylum
- Deported
- Removed
- Required to leave
- Excluded or banned from entry

Please answer this section accurately and provide details as required. If you have not been subject to any of the actions listed above then select “No”. If you have then select “Yes” and answer the questions that follow. **Please note that it is important to declare any previous refusals.** Failure to declare any previous refusals could lead to refusal on deception, which would carry a 10 year entry clearance ban.

**Breach of UK immigration law**

Have you ever:

- entered the UK illegally
- remained in the UK beyond the validity of your visa or permission to stay
- breached the conditions of your leave, for example, worked without permission or received public funds when you did not have permission
- given false information when applying for a visa, leave to enter, or leave to remain
- breached UK immigration law in any other way

Please answer this section accurately and provide details as required. If you have not been subject to any of the actions listed above then select “No”. Please contact us if you need to answer “Yes”.

**Convictions and other penalties**

At any time have you ever had any of the following, in the UK or in another country?

Only select one answer at a time. If you need to give more than one answer, you can do so on another page.

- A criminal conviction
- A penalty for a driving offence, for example disqualification for speeding or no motor insurance
- An arrest or charge for which you are currently on, or awaiting trial
- A caution, warning, reprimand or other penalty
- A civil court judgment against you, for example for non payment of debt, bankruptcy proceedings or anti-social behaviour
- A civil penalty issued under UK immigration law
- No, I have never had any of these

Please read this question carefully and answer accurately. **If you are unsure whether your issue is defined as a ‘conviction’ or ‘penalty’ it is safer to declare it here, making it clear to UKVI that you are not trying to hide anything.**

**War crimes**

You must read all of the information on this page before answering.

- In either peace or war time have you ever been involved in, or suspected of involvement in, war crimes, crimes against humanity, or genocide?

- Have you, as a part of your employment or otherwise, undertaken paid or unpaid activity on behalf of a non-UK government which you know to be dangerous to the interests or national security of the UK or its allies?
- Have you ever engaged in any other activities which might indicate that you may not be considered to be a person of good character?
- Is there any other information about your character or behaviour which you would like to make us aware of?

Please answer this section correctly. If you select YES for any of the questions, you will have to provide further details.

**Your employment history**

If you have worked for any of the types of organisations listed, select the appropriate one. You will be asked to provide further information.

If not, select "I have not worked in any of the jobs listed above."
Sponsor licence number and address

- **What is your sponsor licence number?**
  EGTNN8XR7

- **Sponsor's address**
  The University of Sheffield
  Western Bank
  Sheffield
  S10 2TN

---

**Place of Study**

What type of sponsor will you be studying with?

Select ‘Higher Education Provider with a track record of compliance’.

---

**Primary site of study**

Is this the site where the majority of your study will take place?

The University of Sheffield
Western Bank
Sheffield
S10 2TN

Please check your CAS for the primary site of study and answer accordingly.

If the address is different from the one shown (for instance, if you are doing a work placement), then select “No” and enter the address as stated on your CAS.
UCAS details

Did you apply for your course through UCAS?

Only answer “Yes” if you applied for your course through UCAS. If you applied to the University of Sheffield directly, or through an agent, select “No”.

If you applied through UCAS then your UCAS number will be stated on your CAS.

Please note that this question is not asking about or referring to your CAS number.

Academic Technology Approval Scheme (ATAS)

- Do you need to obtain permission from the ATAS?
- What is your Academic Technology Approval Scheme (ATAS) reference number?

This is the reference number on the ATAS clearance certificate issued to you by the Foreign and Commonwealth Office.

You can find out if you need an ATAS certificate on your CAS.

If your course requires ATAS clearance, include the details here, and upload the ATAS certificate with your supporting documents.

Future official financial sponsor

- Will you be receiving money from an official financial sponsor for your continuing studies?

If you will be receiving money from an official financial sponsor, select “Yes”. A financial sponsor can be the British Council, the British government or your home government, an international organisation or company (with an office in more than one country) or a university.

In the follow up question, select the appropriate option out of the following, as applicable.

- My Student sponsor has confirmed this information on my CAS
- Letter of official financial sponsorship
- I am not being wholly sponsored

Course information

- Name of sponsor institution (school/college/university)
- Course name
- Qualification you will get

Please enter the information as is stated on your CAS. Please note that the qualification in your CAS may refer to NQF. RQF and NQF level are interchangeable (e.g. NQF7 is also RQF7).

SCQF refers to the equivalent Scottish qualification which is not used at the University of Sheffield.
IMPORTANT – As you are applying for a visa to study at the University of Sheffield, it is very important that you do not choose the ‘Postgraduate Doctor or Dentist’ category here. It is a common mistake for, especially for PhD students, to choose this answer. This category is only for those who are sponsored by Health Education England and not the University of Sheffield.

If you do choose this category in error, you will then see a new question: “Are you going to be a Postgraduate Doctor or Dentist on a recognised foundation programme?”. If you see this question, please go back and change your answer to the question above. The correct level of your course is stated on your CAS.

If you answer ‘Yes’ to this question, UKVI will process your application as a Postgraduate Doctor or Dentist application, and not a standard Student visa application, which could lead to complications, and you may need to submit another application.

- **Are you going to be a student union sabbatical officer?**

Please select “No” unless your CAS confirms that you are going to be a student union sabbatical officer.

It is very important that you answer ‘No’ to this question if your CAS does not confirm this, even if you intend to stand for election as a sabbatical officer in the future. If you answer ‘Yes’ when you do not have a CAS issued for a sabbatical officer application, UKVI will input your application with the wrong casetype and you may need to resubmit your application.

If your CAS states your course title is ‘Student Union Sabbatical Officer’ you must answer ‘Yes’ to this question.

**Course dates**

- **Course start date**
- **Course end date**

Please copy this information from your CAS.

For continuing students, if there is a sponsor note confirming an **actual course start date** in the past then please use that as your course start date on the application form to make it clearer that the course duration is more than 12 months, if applicable. We often see errors where the UKVI have not granted a long enough “wrap- up” period after the course end date because the caseworker has believed the course to be shorter than 12 months, and only granted 7 days or 2 months after the course end date, instead of 4 months.

Please check your CAS carefully in case there is a note about this. It will either show in the ‘Evidence Used to Obtain Offer’ or the ‘Sponsor Notes’ section of the CAS.

There are instructions later in the guide on how you should enter the course dates in the Immigration Health Surcharge section of the form, as this is slightly different to above.

**Accommodation payments**

- **Have you or your parent(s)/legal guardian(s) already paid any money to your sponsor for accommodation?**

This is only money paid to your sponsor. For example, this does not include money paid to a private landlord or housing organisation. There is a limit on how much of this will count towards your maintenance requirement, and this is set out in the guidance here.

Only select “Yes” if you are staying at the University accommodation and have paid money to the University of Sheffield. Your CAS will also confirm if you have paid any fees for accommodation so please check that.

If you are staying in private accommodation, with family or in any other accommodation, select “No”.

**Course fees**
- **What are your course fees for your first year?**

If your course is shorter than 12 months, state the total course fee. This information is on your Confirmation of Acceptance for Studies (CAS) statement. Alternatively, you can contact your sponsor for this information.

Please refer to your CAS for this information.

Please be aware that if you have a scholarship or tuition fee discount, there will be a sponsor note confirming your reduced tuition fee. If this applies to you, you should enter the reduced fee.
• Have you or your parent(s) or legal guardian(s) already paid any of your course fees?

Please select “No” if you (or your parent(s) or legal guardian(s)) have not yet paid any of your course fee or if your course does not have a fee.

Select “Yes” if you (or your parent(s) or legal guardian(s)) have paid some or all of your course fee. You will then need to answer the following supplementary questions:

• How much has been paid?

This is listed in the ‘Course fees paid’ field in your CAS statement. If you have paid tuition fees since your CAS was issued, contact the Income Office at studentcustomers@sheffield.ac.uk for an update.

Once your CAS has been updated with your tuition fee payment, you can select ‘My sponsor has confirmed this information on my CAS’.

Student Loan

• Are any of the funds required for this application in the form of a student loan?

If you intend to use a student loan to cover your course fees, and living costs for you (and any dependants) then select “Yes”. If not, select “No”.

Maintenance funds

• Are all of the maintenance funds required for this application in a bank account with your name on it?

If the money for the maintenance funds is held in your personal bank account, select “Yes”.

If you are financially sponsored for your studies by an ‘official financial sponsor’ then you can select “No” for this question, even if your sponsor has already transferred the funds to you.

If you are relying on your parent(s)’ or legal guardian(s)’ bank statement, then select “No”. You will be asked to provide further information as shown.

Please note that if you will be using your parent(s)’ or legal guardian(s)’ bank statement, you will also need to provide a consent letter from the account holder.

Please carefully read the information available on our website to check how you can meet the maintenance requirements and the financial documents you will need to submit as evidence of this.
Additional Information

Finally, in this section, you will be given the opportunity to include additional information about your application. Only complete this section if you feel you need to inform UKVI of your personal circumstances that may affect your visa application.

To complete the “Application” section, you will be asked to review the information you have provided. Please check this page carefully to ensure that the information provided is accurate.

3. Documents

This section will list the documents you may have to provide with your visa application. It will be split into “Mandatory Documents” and “Other Documents”. Use this and the checklist as a guide for documents required, instead of the form provided by the local visa application centre.

Please note that you will need to tick each box to confirm you will provide the requested document and to be able to progress further.

Later on in the application process, you will be invited to upload your documents to UKVI’s commercial partner’s website. If you do not have access to a scanner, you can take your documents with you to your appointment where UKVI’s commercial partner can scan them for you.
4. Declaration

Please read through the conditions listed and confirm you understand and accept them.

On the next page, please read through the declaration and select the appropriate option.

You will then be provided with the opportunity to review your answers.

5. Pay

The next steps will be to first pay the Immigration Health Surcharge (IHS), then pay the visa application fee. Once payment is completed, you will be able to download your 'document checklist' and 'application form', which you should save.
Immigration Health Surcharge Payment

Please ensure that you select ‘NO’ to the question ‘Staying in the Isle of Man, Jersey or Guernsey’. If you select ‘YES’ to this, it will calculate a charge of £0 for the IHS and UKVI will then send you a top-up link by email later in the application process, giving you a deadline to pay the correct amount. This could lead to delays with your application.

If you answer “YES” to the question “Are you under 18 and in local authority care?” the form will also calculate the charge as £0 and UKVI will have to contact you and ask you to pay a top-up if you answer “YES” but this does not apply to you. “Local authority care” means that you are looked after by a local authority (such as a local UK council, for example Sheffield City Council) rather than your parents or legal guardians. If you think this may apply to you, you should contact ISSAC.

Continuing Students - If you are applying for a visa to continue the same course that your current visa is for, you should enter the course start date from the course start field on your CAS in the ‘Course start date’ section here, even if there is a note on your CAS about the actual course start date. The IHS should only be calculated from the date of your visa application, and not retrospectively from your original course start date. You will then get the opportunity to enter the actual course start date confirmed in the sponsor note on your CAS under the ‘Continuing course’ section as shown below:

ACL Code – Delivery of BRP

After your IHS payment, you will be prompted to select an ACL (alternative collection location) code. You can enter the code for the University of Sheffield which is 2HE237. This will instruct UKVI to deliver your BRP to the University of Sheffield, where we can arrange for you to collect it.

6. Further actions

- On this page, you’ll have the option to download your ‘Document Checklist’ and ‘Application form’. You can upload your ‘Document Checklist’ as one of the documents to show proof of your application.
- You will also see a green button on the right-hand side on this page to ‘Book Appointment’. Click on this to register an account on UKVI’s commercial partner’s website, upload your documents and make an appointment.
- Keep your log in details safe.
- Take your original passport to your appointment.
- It is recommended to keep a copy of your application, document checklist and copy of the documents you have uploaded with your application.

Withdrawn Your Application – Please seek advice

There are different reasons why you may wish to withdraw (also known as cancelling) your visa application after submitting it. Sometimes, applicants wish to do this because they notice they have made a mistake on the application. In many cases it is not necessary to cancel an application and cancelling can sometimes create more problems than continuing with the application.

If you are thinking about cancelling your application for any reason, please ensure that you contact ISSAC for advice before doing so.
