Printed plan and elevation of ride. No Annotations on elevation, some measurements on plan. Some hand written calculations have been made.

1540mm x 760mm

Donated by Leisure Parks

- 178M10.177a Amusement Park Plans – Belle Vue roller coaster
[Layout of sections of the track from a proposed roller coaster]
c.1910

Printed plans of the track. Platform labelled. Double Sided see 178M10.177b.

1130mm x 760mm

Donated by Leisure Parks

- 178M10.177b Amusement Park Plans – Belle Vue roller coaster
[Structural components of the proposed roller coaster]
c.1910

Printed elevations of the components. Some technical drawings and measurements. Double Sided see 178M10.177a.

1130mm x 760mm

Donated by Leisure Parks

- 178M10.178 Amusement Park Plans – Belle Vue Water Chute
[Layout plans for the water chute at Belle Vue (formerly at festival gardens). November 1954. Amended December 1954. Drawing No. MW/2B. Annotated D41.]

November 1954

Printed plans for the foundation and track of the water chute. Multiple annotated amendments made in red, due to change in location of the chute. Otherwise, annotated with measurements and technical information. For Sir Leslie Joseph.

1100mm x 705mm

Donated by Leisure Parks

- 178M10.179 Amusement Park Plans – Belle Vue Scenic
[Portion of the track from the Belle Vue Scenic Railway]
c.1910

Printed elevation of a portion of the railway, showing both the foundations and the track. Some annotations of measurements.

765mm x 161mm

Donated by Leisure Parks

- 178M10.180 Amusement Park Plans – Belle Vue Scenic
[Side of the track of the Ländendchnit Durch Die Geleige
Betriebanlage.]

c.1910

Printed elevation of the ride. Damaged. For other half see 178M10.181.

910mm x 350mm

Donated by Leisure Parks

- 178M10.181 Amusement Park Plans – Belle Vue Scenic
[Side of the track of the Ländendchnitt Durch Die Geleige
Betriebanlage. Annotated A23]
c.1910
Printed elevation of the ride. Damaged. For other half see 178M10.180.
840mm x 350mm
Donated by Leisure Parks
- 178M10.182 Amusement Park Plans – Orbiter
[Plans for Orbiter style ride, pump plate, drawing W2117 by DJI]
22 February 1977
Technical drawing part of sequence.
840mm x 595mm
Donated by Leisure Parks
- 178M10.183 Amusement Park Plans – Orbiter
[Plans for Orbiter style ride, basic layout, drawing W1101 by DJI]
22 February 1977
Technical drawing part of sequence.
840mm x 595mm
Donated by Leisure Parks
- 178M10.184 Amusement Park Plans – Orbiter
[Plans for Orbiter style ride, base details, drawing W2116 by DJI]
20 February 1977
Technical drawing part of sequence.
840mm x 595mm
Donated by Leisure Parks
- 178M10.185 Amusement Park Plans – Orbiter
[Plans for Orbiter style ride, seat support arms, drawing W2102 by DJI]
30 December 1976
Technical drawing part of sequence.
840mm x 595mm
Donated by Leisure Parks
- 178M10.186 Amusement Park Plans – Orbiter
[Plans for Orbiter style ride, motor bracket, drawing W2114 by DJI]
16 February 1977
Technical drawing part of sequence.
840mm x 595mm
Donated by Leisure Parks
- 178M10.187 Amusement Park Plans – Orbiter
[Plans for Orbiter style ride, support tube, drawing W2109 by DJI]
13 February 1977

Technical drawing part of sequence.
840mm x 595mm
Donated by Leisure Parks

- 178M10.188 Amusement Park Plans – Orbiter
[Plans for Orbiter style ride, base unit, drawing W2112 by DJI]
22 January 1977
Technical drawing part of sequence.
840mm x 595mm
Donated by Leisure Parks
- 178M10.189 Amusement Park Plans – Orbiter
[Plans for Orbiter style ride, turret units, drawing W2108 by DJI]
30 January 1977
Technical drawing part of sequence.
840mm x 595mm
Donated by Leisure Parks
- 178M10.190 Amusement Park Plans – Orbiter
[Plans for Orbiter style ride, main arms, drawing W2107 by DJI]
26 December 1976
Technical drawing, minor damage, part of sequence.
840mm x 595mm
Donated by Leisure Parks
- 178M10.191 Amusement Park Plans – Orbiter
[Plans for Orbiter style ride, support structure twin seat unit, drawing
W2101 by DJI]
10 December 1976
Technical drawing part of sequence
840mm x 595mm
Donated by Leisure Parks
- 178M10.192 Amusement Park Plans – Orbiter
[Plans for Orbiter style ride, support arm, drawing W2103 by DJI]
29 December 1976
Technical drawing part of sequence.
840mm x 595mm
Donated by Leisure Parks
- 178M10.193 Amusement Park Plans – Porthcawl Caterpillar
[Detail and arrangement of angle track for Caterpillar at Porthcawl.
Drawing 746/47 by E.C. Fry]
1947
Printed plan on tracing paper. John Williams and Sons Cardiff.
1000mm x 665mm
Donated by Leisure Parks

- 178M10.194 Amusement Park Plans – Roller Coaster car
[Details of roller coaster car longitudinal section]
c1930
Blueprint with pencil annotations.
990mm x 465mm
Donated by Leisure Parks
- 178M10.195 Amusement Park Plans – Blackpool Big Dipper
[Details of Blackpool Pleasure Beach Big Dipper track and car and
marked spot of accident]
7 August 1930
Printed plan with 5 duplicates.
950mm x 600mm
Donated by Leisure Parks
- 178M10.196 Amusement Park Plans – Orbiter
[Plans for Orbiter style ride, base bearing, drawing W2115 by DJI]
20 February 1977
Technical drawing part of sequence.
840mm x 595mm (conserved)
Donated by Leisure Parks
- 178M10.197 Amusement Park Plans – Orbiter
[Plans for Orbiter style ride, support arm sheet 2, drawing W2104 by
DJI]
31 December 1976
Technical drawing part of sequence.
840mm x 595mm (conserved)
Donated by Leisure Parks
- 178M10.198 Amusement Park Plans – Water Tank
[Plans and data for amusement park water tank for the Western
Engineering Company of Swansea, working drawing 3326-1]
4 June 1926
Blueprint.
850mm x 610mm
Donated by Leisure Parks
- 178M12.1 Battersea Water Chute Plans
[General plan of complete ride]
1954
Printed plan with multiple annotations
1220mm x 700mm
Donated by Leisure Parks
- 178M12.2 Battersea Water Chute Plans
[Survey of site for Water Chute]
1954

- Printed plan
600mm x 310mm
Donated by Leisure Parks
- 178M12.3 Battersea Water Chute Plans
[Survey of Dragon Ride Area. Survey Conducted 18th September 1954.
Annotated D15.]
1954
Printed plan.
660mm x 320mm
Donated by Leisure Parks
- 178M12.4 Battersea Water Chute Plans
[Elevation map of Battersea Water Chute. Split into North and South
sections.]
1954
Elevation plan of the Water Chute viewed from the North and South.
1250mm x 700mm
Donated by Leisure Parks
- 178M12.5 Battersea Water Chute Plans
[General Plan for the Battersea Water Chute. Separate Plans of the
Foundation and Ground Floor Levels. Amendment Drawing LW/2b.
Annotated Set No.5.]
1954
Printed plan.
1110mm x 700mm
Donated by Leisure Parks
- 178M12.6 Battersea Water Chute Plans
[General Plan for the Battersea Water Chute. Separate Plans of the
Foundation and Ground Floor Levels. Amendment Drawing LW/2c.
Annotated D41]
1954
Printed plan.
1110mm x 700mm
Donated by Leisure Parks
- 178M12.7 Battersea Water Chute Plans
[Developed Elevation map of Battersea Water Chute. Split into North
and South sections. Amendment Drawing LW/3b. Annotated D42]
1954
Elevation plan of the Water Chute viewed from the North and South.
1260mm x 720mm
Donated by Leisure Parks
- 178M12.8 Battersea Water Chute Plans

- [Cross Sectional Drawing of the Battersea Water Chute. Amendment Drawing LW/5a. Annotated D44.]
1954
Printed Cross Section
780mm x 590mm
Donated by Leisure Parks
- 178M12.9 Battersea Water Chute Plans
[Elevation of Intermediate Cradle. Amendment Drawing No.6.]
1954
Printed Cross Section. Incomplete.
380mm x 580mm
Donated by Leisure Parks
- 178M12.10 Battersea Water Chute Plans
[Elevations of the Bents and Railways of Battersea Water Chute. 23rd October 1954. Drawing No. LW/6.]
1954
Printed Elevations of Bents. Hand Drawn Diagrams of Railways and Bolts with written annotations.
750mm x 540mm
Donated by Leisure Parks
- 178M12.11 Battersea Water Chute Plans
[Elevations of Battersea Water Chute Bents. 24th October 1954. Drawing No. LW/7.]
1954
Printed Elevations.
750mm x 540mm
Donated by Leisure Parks
- 178M12.12 Battersea Water Chute Plans
[Elevations of Battersea Water Chute Bents. 25th October 1954. Drawing No. LW/8.]
1954
Printed Elevations of Bents and Posts.
740mm x 560mm
Donated by Leisure Parks
- 178M12.13 Battersea Water Chute Plans
[Elevations of Battersea Water Chute Bents. 26th October 1954. Drawing No. LW/9. Annotated D48.]
1954
Printed Elevations of Bents and Posts.
760mm x 550mm
Donated by Leisure Parks
- 178M12.14 Battersea Water Chute Plans

[Elevations of Battersea Water Chute Bents. 27th October 1954. Drawing No. LW/10. Annotated D49.]

1954

Printed Elevations of Bents and Posts. Small Elevation of Bracing between bents 29 and 31 in top right hand corner.

760mm x 560mm

Donated by Leisure Parks

- 178M12.15 Battersea Water Chute Plans
[Elevations of Battersea Water Chute Bents. 27th October 1954. Drawing No. LW/11. Annotated D50.]
1954
Printed Elevations of Bents and Posts
760mm x 540mm
Donated by Leisure Parks
- 178M12.16 Battersea Water Chute Plans
[Elevations of Battersea Water Chute Bents. 27th October 1954. Drawing No. LW/12. Annotated D51.]
1954
Printed Elevations of Bents and Posts. Diagram of Full Size Bearers for Bent No.37 and 38.
760mm x 540mm
Donated by Leisure Parks
- 178M12.17 Battersea Water Chute Plans
[Diagrams , Key Plan and Measurements of the Tank Trestles of Battersea Water Chute. 28th October 1954. Drawing No. LW/13. Annotated D52.]
Printed Plans and Tabulated Measurements.

Donated by Leisure Parks
- 178M12.24 Battersea Water Chute Plans
[Plans, Elevations and Layout of Canopies and Cradles of Battersea Water Chute. Amendments Drawing LW/20.]
1954
Printed Cross Sections and Elevations.
760mm x 540mm
Donated by Leisure Parks
- 178M12.25 Battersea Water Chute Plans
[Plans, Elevations and Layout of Canopies, Cradles and masts of Battersea Water Chute. Amendments Drawing LW/20b.]
1954

Printed Cross Sections and Elevations.
760mm x 540mm
Donated by Leisure Parks

- 178M12.26 Battersea Water Chute Plans
[Section of Middle and Side Cat Walk of the Battersea Water Chute.
30th October 1954. Drawing No. LW/21.]
1954
Printed Section. Hand Written Annotations and Measurements in
Orange.
760mm x 520mm
Donated by Leisure Parks
- 178M12.27 Battersea Water Chute Plans
[Schedule of Braces and Diagrams from the Battersea Water Chute. 2nd
November 1954. Drawing No. LW/23. Annotated D63.]
1954
Tabulated Measurements and Technical Drawings Divided into Groups
1-8.
760mm x 550mm
Donated by Leisure Parks
- 178M12.28 Battersea Water Chute Plans
[Full Size Technical Drawing of the Cradle at the Battersea Water
Chute. 30th October 1954. Drawing No. LW/24. Annotated D64.]
1954
Technical Drawing of the Cradle, Annotated with Measurements.
760mm x 580mm
Donated by Leisure Parks
- 178M12.29 Battersea Water Chute Plans
[Full Size Technical Drawing of the Bent Top Brace of the Battersea
Water Chute. Drawing No. LW/25. Annotated D65.]
1954
Technical Drawing with Measurements to the top of the Post to the
bottom of the Bearer.
760mm x 520mm
Donated by Leisure Parks
- 178M12.30 Battersea Water Chute Plans
[Diagrams of M.S. Fittings at Battersea Water Chute: Extra Holdfasts for
World Cruise and Booth Posts, Slide Angle Brackets and 4x4 Post
Holdfasts. December 1954. Drawing No. LW/26A. Annotated D66]
1954
Technical Drawings of Holdfasts, Brackets, Side, Bottom and Chain
Tracks, Strainers, Beams, Plates, Braces and Cleats.
760mm x 540mm
Donated by Leisure Parks

- 178M12.31 Battersea Water Chute Plans
[Plan and Elevations of the Car used on the Battersea Water Chute. Amendments Drawing No. LW/27]
1954
Printed Plan and Elevations from the Front, End and Side of the Car.
760mm x 550mm
Donated by Leisure Parks
- 178M12.32 Battersea Water Chute Plans
[Car Iron Work and the Quantities needed for 1 Car on the Battersea Water Chute. Amendments Drawing No. LW/28. Annotated D68]
1954
Technical Drawings of the Iron Components (e.g. plates and bars) used in the Construction of the Car.
760mm x 520mm
Donated by Leisure Parks
- 178M12.33 Battersea Water Chute Plans
[Plan, Section and Elevation of the Boat Wheel Boxes at the Battersea Water Chute. 7th November 1954. Drawing No. LW/29. Annotated D69]
1954
Printed Plan, Section and Elevation with Several Annotations and Measurements
760mm x 560mm
Donated by Leisure Parks
- 178M12.34 Battersea Water Chute Plans
[Plans and Sections of the Transfer Table, Transfer Table Bolts, Lighting Arches and Platform Posts of the Battersea Water Chute. Amendments Drawing No. LW/30, Annotated D70]
1954
Printed Plans, Sections and Elevations. Annotated with Measurements and Descriptions
760mm x 540mm
Donated by Leisure Parks
- 178M12.35 Battersea Water Chute Plans
[Plans and Sections of the Chain Trench, Water Tank, Motor Room, Water Channel and Holdfasts of the Battersea Water Chute. October 1954. Amendments of the Chain Trench made in December 1954. Drawing No. LW/31A]
1954
Printed Plans and Sections. Annotated with Measurements.
750mm x 560mm
Donated by Leisure Parks
- 178M12.36 Battersea Water Chute Plans

[Plans, Sections and Elevations of the Glazed Tank Screen of the Battersea Water Chute. Drawing No. LW/32. Annotated D72]
1954

Printed Plans, Sections and Elevations. Annotated with Measurements and Dimensions.

760mm x 560mm

Donated by Leisure Parks

178M12.37 Battersea Water Chute Plans
[Plan and Longitudinal Section of the Station Building at the Battersea Water Chute. 26th November 1954. Drawing No. LW/33. Set No. 8.]

1954

Printed Plan and Section.

760mm x 530mm

Donated by Leisure Parks

178M12.38 Battersea Water Chute Plans
[Section and Elevations of the Station Building for the Battersea Water Chute at Festival Garsens for Sir Leslie Joseph. Amendments made 24th November and 4th December 1954. Drawing No. LW/34C. Set No.8.]

1954

Printed Sections and Elevations. Some Hand-Written Amendments made.

750mm x 530mm

Donated by Leisure Parks

178M12.39 Battersea Water Chute Plans
[Section and Elevations of the Station Building for the Battersea Water Chute at Festival Garsens for Sir Leslie Joseph. Amendments made 24th November, 4th and 12th December 1954. Drawing No. LW/34D. Annotated D74]

1954

Printed Sections and Elevations. Stan Bases Increased in Depth from Drawing LW/34C.

770mm x 560mm

Donated by Leisure Parks

178M12.40 Battersea Water Chute Plans
[Technical Drawings for the Station Building at Battersea Water Chute. Drawing No. LW/35. Annotated D75.]

1954

Printed Technical Drawings. Annotated with Measurements and Descriptions.

760mm x 550mm

Donated by Leisure Parks

178M12.41 Battersea Water Chute Plans

[North, South, East and West Elevations of the Station Shutters of Battersea Water Chute. Drawing No. LW/36. Set No.3.]

1954

Printed Elevations. Some Descriptive Hand Written Annotations.

760mm x 540mm

Donated by Leisure Parks

- 178M12.42 Battersea Water Chute Plans
[Plans and Sections of the Details of the Station Steps (etc.) at Battersea Water Chute. November 1954. Drawing No. LW/37. Annotated D77.]
1954
Printed Plans and Sections.

Donated by Leisure Parks
- 178M12.43 Battersea Water Chute Plans
[Plan, Sections, Elevations and Technical Details of the Covered Way at Battersea Water Chute. December 1954. Drawing No. LW/38. Annotated D78.]
1954
Printed Plan, Sections, Elevations and Technical Drawings. Annotated with Measurements.
770mm x 580mm
Donated by Leisure Parks
- 178M12.44 Battersea Water Chute Plans
[Plan and Section of the Covered Way at the Battersea Water Chute. December 1954. Drawing No. LW/39. Set No.1.]
1954
Printed Plan and Section.
760mm x 540mm
Donated by Leisure Parks
- 178M12.45 Battersea Water Chute Plans
[Plan, Section and Elevation of the Entrance to Battersea Water Chute. December 1954. Drawing No. LW/40. Annotated D80.]
1954
Printed Plan, Cross Section and Elevation. Annotated with Measurements.
760mm x 570mm
Donated by Leisure Parks
- 178M12.46 Battersea Water Chute Plans
[Plan, Cross and Longitudinal Section of the Roof Panel Under Track at Covered Way at Battersea Water Chute. December 1954. Drawing No. LW/41. Annotated D81.]
1954

Printed Plan and Sections. Annotated with Measurements.
760mm x 560mm
Donated by Leisure Parks

- 178M12.47 Battersea Water Chute Plans
[Layout Plan and Sections of Battersea Water Chute. 30th November
1954. Drawing No. LW/43. Set No.3]
1954
Printed Plan and Sections. Some Measurement Detail Annotations.
760mm x 570mm
Donated by Leisure Parks
- 178M12.48 Battersea Water Chute Plans
[Technical Diagrams of the River Caves at the Battersea Water Chute
including Penstocks, Barrier, Shutter, Boat Gantry and Fall Diagram.
December 1954. Drawing No. LW/44. Set No. 1]
1954
Printed River Caves Channels Fall Diagram. Some Pencil Drawn
Technical Diagrams. Annotated with Measurements.
760mm x 550mm
Donated by Leisure Parks
- 178M12.49 Battersea Water Chute Plans
[Plan, Section and Elevation of the World Cruise Show Fronts at the
Battersea Water Chute. December 1954. Drawing No. LW/45. Set No. 8.
Annotated D83.]
1954
Printed Plan and Elevations with small Section Drawing. Annotated
"Superseded" on the Top Left Hand Corner
760mm x 570mm
Donated by Leisure Parks
- 178M12.50 Battersea Water Chute Plans
[Plan and Elevation of Bent Screen Panels at Battersea Water Chute.
Drawing LW/46]
1954
Printed Tracing of the Plan and Elevation. No Measurements or
Annotations other than a Pencil Note Saying "Water Chute Tracing
LW/46".
760mm x 560mm
Donated by Leisure Parks
- 178M12.51 Battersea Water Chute Plans
[Plan and Elevation of the Booths and Berandah of the Battersea Water
Chute. December 1954. Drawing No. LW/47. Annotated D.84.]
1954
Printed Plan and Elevation. Annotated with Measurements.
