STEP 3: University Health Service registration

The University Health Service is a National Health Service (NHS) General Practice (Doctors Surgery) focused on student health. It is a modern, friendly, forward thinking Practice, which offers a full range of GP (Doctor) and Nurse services. All students of the University of Sheffield living in the city can register with the Practice, in addition, your dependents (e.g. spouse/children) may also register with the Practice if they live within the Practice boundary.

Studying for 3 months or more

We recommend that all students studying in Sheffield for more than 3 months register with the University Health Service (UHS) on arrival in Sheffield.

Instructions of how to do this are included in the University’s pre-registration process or visit: www.sheffield.ac.uk/ssid/health-service/registration

Once you have pre-registered online and are living in Sheffield you will need to complete UHS registration in person:

- **Intro Week Registration Only**: UHS registration is the last step of the main registration event during Intro Week. Check your timetable

- **Registration during the rest of the year**: Once you have completed the online pre-reg form, wait two working days then contact UHS to make an appointment (0114 222 2100)

Online access to booking appointments

Once you are fully registered with the University Health Service, you can make appointments online and request medications. You can also print off a full list of medicines, diagnoses and immunisations directly. To get your username and password please email: health.service@sheffield.ac.uk.

Please ensure your email comes from your University email address and includes your full name, date of birth and Sheffield address.

Long-term Conditions

If you suffer from a long-term condition we are keen to provide safe continuity of care. Before coming to the UK please contact your doctor and ask them for a letter in English detailing your medical condition and any medicines that you are being prescribed.

NHS Entitlement

You will not be charged for the care you receive at the University Health Service or treatment received within the Accident and Emergency department of a hospital, this is free to all overseas visitors. However, if you are studying for less than 6 months, you may have to pay for other NHS treatment (e.g. referral to hospital doctors/services and other community services (e.g. midwifery, health visiting, community nursing etc.)). This is dependent on the type of treatment required and your immigration status.

You will be expected to bring evidence of your EHIC / visa / Biometric Resident Permit with you to all hospital appointments. Without such documentation, you will have to pay for treatment, regardless of any exemptions you may hold.
EEA Students
Non-UK European Economic Area (EEA and Switzerland) nationals and their families should obtain a European Health Insurance Card (EHIC) before coming to the UK in order to access NHS services on a needs arising basis. You should bring the EHIC with you if you register with the University Health Service and to all hospital attendances.

The EHIC will remain valid until the point that the UK exits the EU. It is currently expected that once the UK has left the EU the card will no longer be valid in the UK.

For further information on NHS entitlement please visit: www.sheffield.ac.uk/ssid/health-service/about/international-students or contact: the Overseas Visitor Team at Sheffield Teaching Hospitals: Overseasvisitors@sth.nhs.uk or call 0044 114 271 2981

Insurance
You may wish to consider taking out insurance, even if you are entitled to free NHS treatment whilst in the UK. An insurance policy may cover, for example:
• access to private medical treatment within the UK
• costs of returning home if a relative is ill
• cost of returning to your home country for treatment
• or in the worst possible situation, returning a body home for burial.

You can find more information at: www.sheffield.ac.uk/ssid/health-service/about/international-students

STEP 4: Form signing and questions
Please visit the Student Services Information Desk (SSiD) on Level 3 of the Students’ Union Building. The staff there can answer your questions and sign forms. www.sheffield.ac.uk/ssid

STEP 5: Police Registration
You may be required to register with the police after arriving in the UK, depending on your circumstances. Please see here for more information: www.gov.uk/register-with-the-police

Enjoy the Steel City!
**STEP 1: Changing modules**
You can alter your choice of modules by ‘adding and dropping’ modules during a three week period at the start of each semester.

For the most up to date information about the Add/Drop schedules, please visit: www.sheffield.ac.uk/ssid/forms/add-drop

**STEP 2: Extending or reducing your stay**
You can only extend your stay in rare circumstances. If you wish to extend your study period in Sheffield, you must contact Global Opportunities & Exchanges by email in the first instance to see if this may be possible.

Global Opportunities & Exchanges will confirm if you can stay on your current programme (i.e. Study Abroad Programme or Erasmus+) or if you have to apply for a place as a fee-paying visiting student.

The deadlines for requesting an extension of stay are:
- Autumn arrivals: 1 November 2019
- Spring arrivals: 1 April 2020

**Reducing your stay**
If you wish to reduce your study period in Sheffield, you must contact Global Opportunities & Exchanges by email in the first instance. Please note that if you have registered for a module which is assessed by examination, you will be expected to attend the examination on the set date.

Email: globalopps@sheffield.ac.uk

**STEP 3: Attendance monitoring**
When you are at the University it is very important that you attend teaching sessions and make academic progress on your course of study. The UK government requires universities to report any student on a Tier 4 visa who does not engage and is consequently withdrawn from their academic programme.

Study Abroad students are required to come for Attendance Monitoring at SSiD on (or as close to as possible) the 1st and 15th of every month. Erasmus+ students will be monitored by their host department and so are not required to visit SSiD for attendance monitoring.

www.sheffield.ac.uk/ssid/record/attendance

It is very important that you familiarise yourself with your immigration responsibilities when in the UK. Information about your duties and those of the University can be found at: www.sheffield.ac.uk/ssid/immigration/during-study/tier-4-responsibilities#student
**STEP 4:**
**Formal Invigilated Examinations**
You will be assessed in the same way as other University of Sheffield students. You must therefore attend any examinations required as part of your course. Please check the examination timetable as soon as it is available online: www.sheffield.ac.uk/ssid/exams/exdates

It is expected that you will attend all your examinations in Sheffield. If you have a valid reason for being unable to attend an examination, you must speak to someone in the appropriate academic department, as soon as you become aware of this.

It is your responsibility to ensure that you are familiar with the University's examination regulations. Further reading: www.sheffield.ac.uk/ssid/exams

Please also watch the video 'Exam – Do’s and Don'ts' to help you to prepare.
www.sheffield.ac.uk/ssid/exams/your-exam-video

**STEP 5:**
**Grading system**
An overall result is recorded for each unit of study in which a student is examined. Even though the examination may be made up of a number of components, only a single result is recorded for each unit in official University records. This result may be converted to a grade on a different marking scale on receipt by a student's home institution.

The following www.sheffield.ac.uk/ssid/exams/grades explains Sheffield grades awarded for undergraduate units of study in relation to degree classifications and also sets out equivalence in relation to the European Credit Transfer System which may be relevant for students visiting as part of the Erasmus+ scheme. Within ECTS, 120 Sheffield credits (the workload for an academic year) equals 60 ECTS credits.

**STEP 6:**
**Statement of results**
Final grades are recorded on an official academic statement.

You will be able to view your results on-line when you login to your account at Sheffield (MUSE) and print off an interim statement of results.

Find details of when your results are published and your digital transcript will be issued www.sheffield.ac.uk/ssid/exams/results

**STEP 7:**
**Form signing and questions – end of the semester**
Please visit the Student Services Information Desk (SSiD) on Level 3 of the Students' Union building. The staff there can answer your questions and sign forms. www.sheffield.ac.uk/ssid
