

**Directions to the Academic Unit of Radiology**  
**Royal Hallamshire Hospital**  
**Glossop Road, Sheffield, S10 2JF**  
**0114 2713584**

The Royal Hallamshire Hospital is surrounded by four other busy hospitals and the main University of Sheffield campus. Therefore parking is at a premium. There is a multi-storey car park at the front of the hospital but finding a space there is not always easy. There are a few disabled parking spaces in front of the Out-patient building, outside the Minor Injuries Unit and also in front of the Main multi-storey building. However, it may be easier to make your visit to the Unit by public transport. Directions for both methods are given below.

**By Car**

**From the M1 North**

Take Junction 34. At roundabout take 3<sup>rd</sup> exit and continue over Tinsley Viaduct. At next roundabout take 5<sup>th</sup> exit (A6178, Sheffield Centre). Continue straight on through Carbrook and Attercliffe following the signs for City Centre (A6109). At Wicker continue straight on towards City Centre, continue through traffic lights and road will bend to the left. Take next right into Castlegate and continue along Bridge St to West Bar Roundabout. Take 1<sup>st</sup> exit (A57, Glossop). At Broad Lane Roundabout take 3<sup>rd</sup> exit. At Brook Hill Roundabout take 2<sup>nd</sup> exit. From here, follow the directions for the hospital.

**From the M1 South**

Take junction 33 (A630). Follow signs for Sheffield Centre along dual carriageway for approx. 5 miles. At Park Square Roundabout take 6<sup>th</sup> exit (Exchange Street). Bear left into Castlegate and continue along Bridge Street to West Bar Roundabout. Take 1<sup>st</sup> exit (A57, Glossop). At Broad Lane Roundabout take 3<sup>rd</sup> exit. At Brook Hill Roundabout take 2<sup>nd</sup> exit. From here, follow the directions for the hospital.

**Royal Hallamshire Hospital:**

At second set off traffic lights turn left (Clarkson Street, B6069). At traffic lights turn right into Glossop Road. Continue through 2 sets of traffic lights. Turn right into Beech Hill Road, then right into hospital grounds (B Road). Follow the signs for the multi-storey car park.

**By Train**

Sheffield is at the heart of the railway network. Regular services operate between Sheffield and London St. Pancras (2.5 hours), Birmingham (1.25 hours), Leeds (1 hour), York (1 hour), Manchester (1 hour) and Nottingham (1 hour).

There is a direct link from the railway station to the Sheffield Station Supertram stop via the main overbridge and it is a five minute walk from the University Supertram stop to the Royal Hallamshire Hospital; the 120 bus runs from stops on Harmer Lane or Pond Street (opposite the Transport Interchange or 1 minute from the railway station across a set of traffic lights)

**By Coach**

National Express operates a comprehensive coach service to most parts of the country from Sheffield Transport Interchange, Pond Street. The 120 bus runs from stops on Harmer Lane or Pond Street (opposite the Transport Interchange and only 1 minute from the railway station across a set of traffic lights) to the Royal Hallamshire Hospital. There are also Supertram links via the railway station (platform 6b) and Commercial Street (it is a five minute walk from the University Supertram stop to the Royal Hallamshire Hospital).

**The Academic Unit of Radiology**

Enter the Royal Hallamshire Hospital on B Floor through the Main Entrance and take the lift or stairs to C Floor. Follow the signs to the In-patient X-ray Department and from there follow the signs (or the black line on the floor) to the University MRI Unit which is at the end of a long corridor. If you have difficulty walking, you should ask at the Porters' Lodge next to the Main Entrance on B Floor for a porter to bring you to the Unit in a wheelchair.
