**e-Recruitment Upgrade, system unavailable from 4pm Fri 26
July**

Dear Colleagues,

As you are aware, e-Recruitment is being upgraded over the coming weekend. In order to implement this, the system will be unavailable from 4pm today until 9am on Monday 29 July. Other SAP systems will not be affected. Updates on this work will be given via the CiCS status page, the link to which is below.

www.sheffield.ac.uk/cics/status/ <<http://www.sheffield.ac.uk/cics/status/>>

Once implemented, the upgrade will allow us to support a greater range of browsers used by candidates and will provide the technical foundations to implement process improvements for users in the future.

If you have any questions about this project please feel free to contact our Help-desk on e-Recruitment@sheffield.ac.uk

Kind regards

Richard Shenton
