Task Sheet 6. Believing, Belonging, Behaving

**Suggested Task**
 Bring in an item which you feel represents your religious community (picture, artefact, magazine) and explain your choice to your partner.

**Aim**
 To reflect on the role of community in religious life and personal practice.

To gain an understanding of the organisation and structure of my partner's faith community.

**Objectives**
 On your own and with your partner define your objectives for this tandem exercise. What do you want to learn?

**Consider asking yourself**
 What makes one a member of my religious community?

What behaviour is expected of me?

How does that affect my own religious practice?

How is my religious community structured and organised?

How important is community to my beliefs?

**Consider asking your tandem partner**
 You may ask all or none of the suggestions above plus:

What does community mean to you?

How does your religious community relate to other religious communities?

What rites and rituals are involved in forming and maintaining your religious community?

**Things to reflect on together**

- What are our similarities? Why?
- Where do we differ? Why?
