Induction and development of members of Council

Introduction

In order to develop an understanding of the complex environment in which the University operates, all members should participate as appropriate in training and development events provided by the University or other bodies. New members of Council are expected to participate in the induction arrangements made by the University.

This document describes the induction materials, meetings and events available to new members of Council, but is also relevant to existing members. To minimise the risk of information overload, we have structured the document in terms of a timeline, and also indicated which items are strongly recommended and which are suggested. We recognise that the needs of individual members will differ, and we are happy to work with members to provide an induction programme tailored to their requirements. An initial meeting with the Secretary to Council and Head of Governance is recommended, in order to discuss an appropriate programme and the support to be provided.

1. Upon appointment

3. Ongoing

3.1 Regular updates

(a) All members of Council will routinely receive:

- President & Vice-Chancellor’s messages to staff and blog (by email)
- University Executive Board (UEB) minutes (email notification including url)
- Overview, the University’s monthly online staff newsletter (email notification)
- Periodic Council updates on matters of importance/interest (by email)
- Council members’ contact details (updated annually)

(b) Members of Council may also wish to join the University’s daily media monitoring bulletin and receive media releases (by email); request form downloadable from http://www.shef.ac.uk/govern/council

3.2 Departmental visits

We aim to use a variety of venues for Council’s business meetings, to give members the opportunity to visit different parts of the University and meet relevant members of staff. Where appropriate, a tour of the building or facility will be provided immediately before the Council meeting.

We are happy to arrange for individual members of Council to visit departments and/or meet with heads of professional services or academic departments, research centres etc. Please contact Rebecca Barker (E: rbarker@sheffield.ac.uk; T: 0114 222 1741).
3.3 *Post-Council suppers*

Several of Council’s business meetings each year will be followed by informal topic-based discussion over supper, often including an external speaker.

3.4 *Council away day*

A Council away day takes place annually in June. This event provides an opportunity for extended update and debate on key strategic issues and is attended by members of UEB as well as Council.

3.5 *Annual evaluation*

A questionnaire circulated annually in July seeks members’ comments on the operation of Council during the previous academic year, and also asks members to provide an assessment of their role as a governor and the extent to which their skills and experience are being appropriately used. Members are also invited to specify any further induction or developments needs they may have.

3.6 *Other University committees*

We are happy to arrange for individual members of Council to attend, as observers and with the agreement of the Chair, a meeting of a committee of Senate or Council, or of a Faculty Executive Board. Please contact Rebecca Barker (E: r.barker@sheffield.ac.uk; T: 0114 222 1741).

Similarly, members are encouraged to serve as representatives of Council on other University committees, such as those covering Audit, Finance, Human Resources, Equality & Diversity and Learning & Teaching. The Council Nominations Committee meets annually to consider appointments and members are welcome to express interest in a particular area at any time, including through the annual evaluation exercise (see 3.5 above).

3.7 *LFHE Governor Development Programme*

Members of Council are recommended to attend relevant events provided by the Leadership Foundation for Higher Education through its Governor Development Programme. Fees and expenses will be met by the University and members wishing to attend are asked to contact Rebecca Barker (E: r.barker@sheffield.ac.uk; T: 0114 222 1741), who will make the necessary booking.
