FAIRTRADE FORTNIGHT
23rd February to 8th March

For Fairtrade Fortnight 2015, we are encouraging you to make the switch! Choose one item either in the office or at home that you buy and make the switch to Fairtrade for the fortnight. This could be tea, coffee, cocoa or maybe even a new item of clothing you buy.

Everyone loves cake so why not take part in Green Impact’s Fairtrade bake off! Using Fairtrade ingredients, see who can whip up the most marvelous creation. If you’d like to take part but your team isn’t keen, drop us an email and we’ll pair you up with other Green Impacters so you don’t miss out on the tasty treats!

Finally, what better way to raise awareness than a Fairtrade coffee morning. We’re encouraging Green Impact teams to organize one for their departments to spread awareness of Fairtrade. If you need any help organizing – utilise your GIPA or get in touch!
