**Export Control:** Does the activity raise any WMD end use control concerns?

**Red Flags – WMD End Use Concerns**

Is the partner reluctant to offer information about the end-use of the items?

Has the partner asked that the goods be transferred to a forwarding address in the UK?

Are unusual shipping, packaging or labelling arrangements requested?

Is the partner new to you and is your knowledge about them incomplete?

Is the partner located in an area under strict security control or in an area to which access is severely restricted, or which is unusual in view of the type of equipment being installed?

Are there unusual requirements for excessive confidentiality about final destinations, or customers, or specifications of items?

Is the partner or end user a military or government research body?

Is the project requested unusual in any way, e.g. the quantity or performance capabilities of the goods significantly exceed, without satisfactory explanation, the amount or performance normally required for the stated end use?
