We can help you
make the decisions
that are right for you
and your future.

Working with your department, we offer...

A range of events and interactive workshops for taught postgraduates.

An online Make it Count resource that you can access at any time via MOLE.

Opportunities to gain work experience - within or outside your course.

One to one support from our team of specialist Careers Advisers.

An extensive network of employers and alumni who regularly visit us on campus.

Opportunities to find out about further study and how to apply.

Recognition of the skills developed alongside your postgrad course and through your experience of work.
