## National pay award - casual and agency pay rates

Following last week's announcement of the 2015 national pay award for staff on the University of Sheffield Grading Scheme, and the Professorial and Professorial Equivalent Pay Schemes, recruiters are asked to note that the hourly pay rates for [casual workers](#) and [agency workers](#) have also now been updated.

If you have any queries on pay rates or employment relationships, please contact your [Faculty or Professional Services HR Team](#).

With best wishes
