## Re-branding of agency workers supplier

I would like to make you aware that one of the University's providers of agency workers, The Agency Search and Select, have recently re-branded and will now be known as **Purple Fox Solutions**.

Contact details are unchanged but you will begin to see the Purple Fox name appear on their website, invoices and correspondence. The Payments team are aware of the change so there should be no interruption to the payment of invoices. You will need to use the new vendor number which is 29003.

Purple Fox are one of three agencies that the University has a contract with for the supply of agency workers in the areas of administration, clerical, portering, security and cleaning services. The others are Reed Specialist Recruitment and Stafforce Personnel.

Further information, including contacts and charge rates, is available on our webpage [Agency Workers – Guidance for Managers](#). Please note new charge rates will apply in some cases from 1 October to comply with the increase in the [National Minimum Wage](#).

With best wishes

Ben
