The residences are located in a residential area just outside the city centre. Our location means we're surrounded by privately owned houses, schools and businesses. We're committed to building and maintaining good noise and disruption to a minimum, particularly late at night.

The residences are well served by public transport with frequent bus services to the University and city centre. For more information on routes and timetables, visit www.travelsouthyorkshire.com.

Travel & Transport

Resident car parking in the residences is limited and you must display a valid Category R permit, Conference permit or pay and display ticket dependent on the car park you are using. Category R permits are available for a yearly charge of £85 from Room and Parking Services. To apply for a Category R permit, visit www.sheffield.ac.uk/parkingservices. Conference permits are available from withUS or your event organiser.

Please note, having a valid car parking permit does not guarantee a parking space.

Environment

We are committed to being environmentally responsible and encourage our residents to do the same. There is a local recycling point across the residences for glass, cans, plastics, paper and card. For further information about environmental initiatives visit: www.sheffield.ac.uk/accommodation/current/environment.
