

University of Sheffield Library. *Special Collections and Archives*

Ref: **MS 450**

Title: **Howard Smith Photographic Collection**

Scope: *Photographs taken by Howard Smith between 1991 and 1996 of milestones, guide stoops, packhorse bridges, etc., mostly in South Yorkshire and Derbyshire.*

Dates: 1991-1996

Level: Fonds

Extent: 1 box

Name of creator: Howard Smith

Administrative / biographical history:

The collection comprises 126 colour photographs taken by Howard Smith between 1991 and 1996 of milestones, guide stoops, packhorse bridges, etc., mostly in South Yorkshire and Derbyshire.

Before his retirement, Howard Smith taught history and English at Richmond College in Sheffield, and has written many books on the history of roads and transport in the local area.

The collection was donated to the National Centre for English Cultural Tradition at the University of Sheffield in December 1996. It was then transferred to the Special Collections Department in the University Library in 2008.
