

The
University
Of
Sheffield.

HONOUR ROLL

We are very grateful to all alumni, staff, parents, friends and organisations who have made donations to support the University between 1 January 2017 and 31 December 2017. Thank you so much for your generosity.

Donor names listed in **bold** indicate a donation of £500 (or \$500) or more within the above period.

MOBILISING PHILANTHROPY

When I first came to Sheffield in 2002 to establish an Alumni Office, the then Vice-Chancellor, Professor Bob Boucher set me an immediate challenge to find out how many people were donating to the University. The answer, I was soon to find out, was 13 – six regular gifts from alumni and seven from members of staff – totalling £100 each year. “I’m sure we can do better,” suggested Bob. He was right.

Back then I had a vision to build a team which supported students and staff, and kept in touch with our alumni. We also wanted to address the huge changes in university funding which meant participating in higher education was proving increasingly challenging for some students. All of that remains true today.

16 years after that first meeting, I’m incredibly proud to say that, to date, we have raised over £50 million from thousands of gifts. Last year was the most successful yet, raising over £8.5 million, and we now have over 1,400 regular donors in our Silver Arrows Circle. It is in no small part thanks to all of you that Sheffield is one of the world’s leading universities and it is only with your ongoing support that it will become an even greater seat of learning.

Your Gift, our thank you magazine for donors, showcases just some of the amazing things which your donations have achieved. From enabling research and improving the campus, to influencing policy and providing opportunities to study abroad, the reach of your impact is phenomenal. Scholarships in particular offer the possibility of a different future for students, allowing them to pursue their dream of a university education, free from financial barriers. The gift of education is one of the greatest gifts possible. This year alone, over 500 students may now take a different path thanks to your generosity. It is a privilege for me and my team to be able to mobilise the philanthropy that enables so much good to take place.

On behalf of everyone in the team – thank you.

Miles Stevenson
