The University of Sheffield Process for Raising Concerns

```
Concerns expressed
        │
        ▼
Student Support & Well-Being informed
        │
        ▼
University Procedures carried out (speaking to tutors/counselling etc.) ───► Concern identified as non-Prevent support issue and referred accordingly
        │
        ▼
No Prevent-related Concern ◄─── TUOS Prevent Lead to have an informal conversation with the Police Prevent Lead if necessary ───► Potential Prevent concern
                                                                                                                                        │
                                                                                                                                        ▼
No further action required ◄─── Discuss with Police Prevent Lead what further action is needed ◄─── TUOS Prevent Lead to refer to the University Safeguarding Panel regarding passing on a name (within 2 working days)
        │                              │
        ▼                              ▼
(back to University Procedures)   Further action required
                                       │
                                       ▼
                               TUOS Safeguarding Panel to consult with Adult Safeguarding Lead in Sheffield City Council
                                       │
                        ┌──────────────┴──────────────┐
                        ▼                              ▼
        Guidance and support offered          Case referred to Channel Panel
        internally by TUOS, in liaison
        with Channel
