The Council, 11 July 2016

Report of the Council Nominations Committee

Date: 6 June 2016
Chair: Mr T Pedder
Secretary: Ms S M Stephens

1. Appointment of the Officers

No action is required in respect of the Chair of Council, Council having approved (April 2016) Tony Pedder’s reappointment as Chair and Pro-Chancellor until 31 July 2021.

No action is required in respect of the Treasurer; David Young’s current period of appointment continues until 31 July 2018.

No action is required in respect of the Pro-Chancellor; Sarah Harkness’s current period of appointment continues until 31 July 2017.

The Committee has agreed, however, that an invitation should be circulated to lay members of Council inviting expressions of interest in the role of Pro-Chancellor. The Charter requires there to be not fewer than two Pro-Chancellors, and until recently the practice has been to have three.

2. Membership of Council

2.1 Higher Education Code of Governance

The Committee has noted the section of the HE Code of Governance relating to the composition of governing bodies and the need to ensure that the approach to making appointments demonstrated a commitment to equality and diversity. The Committee has also considered an updated skills matrix illustrating the range of skills and experience provided by the current membership of Council.

2.2 Appointment of Class (3) members of the Council

(a) As at 31 July 2016, two vacancies will exist (vice Professor Dymph van den Boom and Mr John Kelly, who has indicated that he does not wish to seek reappointment). Following amendment of the Statutes in 2015-16 to create additional flexibility, provision exists to make a third new appointment. The Committee noted that factors to be taken into account in considering appointments to Class (3) include:

- the desirability of maintaining or improving the current gender balance (for lay officers and lay members currently 25% women; for Council as a whole 44%);
- the need to maintain an appropriate balance of skills and experience;
- the need to maintain a lay majority on Council at all times;
- the desirability of at least one new member being locally based, to increase the capacity to populate sub-committees and engage in activities related to Council.
Following consideration of a number of potential candidates, it is **recommended** that Stephen Sly (Partner and Joint Global Head of Litigation and Regulatory at DLA Piper) be appointed for the period 1 August 2016 to 31 July 2019. Mr Sly is a graduate of the University (LLB, Law, 1984) and received the Professor Robert Boucher Distinguished Alumni Award in 2015.

The Committee has agreed that a more detailed assessment of a number of women alumnae identified as potential candidates by DARE be undertaken, with a view to informal meetings taking place to assess interest and suitability.

An additional appointment (or appointments) will be recommended to Council in due course.

### 2.3 Appointment of Class (2) members of Council (Senior Academic Officers)

Under Regulations of Council, two Senior Academic Officers (ie the Deputy Vice-Chancellor/Pro-Vice-Chancellors) are appointed annually by Council on the recommendation of the Vice-Chancellor. The Committee endorses the Vice-Chancellor’s **recommendation** that Professor Shearer West and Professor Gill Valentine be appointed for the period 1 August 2016 to 31 July 2017, and that Professor Nigel Clarke be appointed as deputy to Professor Valentine for the same period, attending Council meetings in her absence.

### 3. Annual review of committee membership: representation on other bodies
