Your gift to Sheffield.

Donations to the University of Sheffield have an incredible impact. Your gift could help a bright student from a low income background to continue their studies, give our researchers the resources they need to tackle fundamental world issues, or help ensure that all Sheffield students have the very best student experience by providing grants to clubs, societies and academic projects. Thank you so much for your support.

“I am really grateful for my scholarship support. My student loan just about covers my rent, so my scholarship helps me with my living costs. It's really important that I'm able to focus on my studies instead of worrying about money, and my scholarship has enabled me to do this.”

Mikayah Kabuye
Scholarship recipient

“Thank you to everyone who has contributed. The grant means a lot to our club and all of its new and existing members. Thanks to the grant we've been able to expand our club, allowing more girls to take part in sport, and to develop teamwork, communication and other transferable skills. Thank you for making this possible!”

“Researchers here at Sheffield are making real headway in tackling some of the world's most pressing issues. With help from our donors, Sheffield has become a world-leader for research into neurodegenerative diseases, improving the lives of patients and carers across the UK and beyond.”

Professor Dame Pamela Shaw
Director, Sheffield Institute for Translational Neuroscience
