Employability Board

Terms of Reference:
1. To strengthen and develop all aspects of the University’s engagement with employers.
2. To advise and assist staff of the University involved in student development in relation to entrepreneurship and employability issues.
3. To ensure students and graduates are supported in making informed choices about their future option – including self-employment, further study and occupational choices.
4. To raise the profile of employability and career development for all students and graduates within and beyond the University.

Reports to: Senate.
