Health and Safety Committee

Terms of Reference:
To actively promote continuous improvement in health and safety across all activities and premises of the University for the benefit of staff, students, visitors and contractors by:

1. Encouraging co-operation between University and campus Trade Unions.
2. Studying trends of accidents, incidents, dangerous occurrences and notifiable diseases and making recommendations for corrective actions to relevant services.
3. Receiving and considering reports of accidents and incidents, and to note where improvements can be made.
4. Receiving and considering relevant audit and inspection reports from Health and Safety, relevant Working Groups and sub-groups to the Committee.
5. Receiving and considering health and safety inspections from University recognised Trade Union Representatives and determining actions and priorities.
6. Receiving and considering the implications for the University of inspections and audits by, and reports and information from, Enforcing Authorities.
7. Evaluating the effectiveness of health and safety training.
8. Receiving statutory compliance updates from the Students Union.
9. Monitoring the adequacy and effectiveness of health and safety communications and publications.
10. Assessing and monitoring the impact of new or amended legislation on the activities of the University, and evaluating Safety Policies and making recommendations for revision.
13. Reviewing annually the University’s Health and Safety Policy and Arrangements.
