

Where can I go?

Please note that this guide has been compiled to the best of our knowledge*. Information can change without notice and both Sheffield and the host university has the right to implement changes at any point.

You are still required to fully research each university to ensure they have suitable modules available and that they are a suitable match for your degree programme.

An * indicates known restrictions set by the partner university. This could be restricted number of courses/places available/additional documentation required etc. When reviewing their information, please ensure you do this with extra care and attention.
