The residences are located in a residential area just outside the city centre. Our location means we're surrounded by privately owned houses, schools and businesses. We're committed to building and maintaining good community relations so please be considerate of others and keep noise and disruption to a minimum, particularly late at night.

There is a taxi rank at the bottom of Park and the Endcliffe Paddock which operates 6pm–6am during term time. If you bring a bicycle with you, there are secure storage facilities located across the residences. Ask at your Customer Services reception to find out where your nearest Car parking in the residences is limited and you must display a valid Category R permit, Conference permit or pay and display ticket dependent on the car park you are using. Category R permits are available for a yearly charge of £120 from Room and Parking Services. To apply for a Category R permit, visit Conference permits are available from or your event organiser.
