All Study Abroad Students and Full academic year Erasmus students:

a single occupancy student bedroom in University or Partnership accommodation if you apply no later than 31 July 2017.

STUDENTS NOT GUARANTEED ACCOMMODATION

Not all students are guaranteed accommodation and it is therefore important that you read the guarantee in full.

Erasmus programme students who require accommodation for only one semester are not guaranteed accommodation. A limited number of study bedrooms are available and if you wish to apply, applications must be submitted prior to the 31 July 2017.

Students with family members can apply to live in one of our family properties, but accommodation is not a guarantee and is popular so you need to plan in advance of arrival if you are coming with family/partners to study.

If we are not able to offer you University accommodation we will support you in finding suitable accommodation for your family in Sheffield.

General information relating to the guarantee and subsequent offer of accommodation

- Students who decline the offer of accommodation made by Accommodation Services whether it is University owned or partnership accommodation or fail to fully accept the accommodation offered by the closing date stated in the offer will forfeit the guarantee and the offer of accommodation will be withdrawn. If you then subsequently require University or partnership accommodation you will only be offered a room subject to availability
- All single accommodation is allocated at random through our automated allocation system to ensure that offers of accommodation are as fair as possible. Some accommodation is inevitably more popular than others, which means we do not guarantee you your application preferences or if you have requested mixed sex that you will be allocated mixed sex accommodation.
- All undergraduate students that apply for accommodation after the 31 August 2017 and postgraduates that apply after the 31 July 2017 are not guaranteed accommodation however you can still apply and should accommodation be available then you will be allocated to a single study bedroom but the choice will be limited and you may need to seek alternative accommodation in the private sector
