A city of music and theatre, home to Tramlines festival.
Extraordinary Place.

Make the most of your visit to our unique city. There’s lots to see.

You can pick up a Self-guided City Tour leaflet from the Postgraduate Study Fair in the Foundry, Students’ Union.

(Map ref 120)
How to get here

By train and tram
Travelling by train to Sheffield is easy. We’re on all the mainline routes across the UK. From the train station there’s a tram roughly every ten minutes to campus. The journey takes about ten minutes. Get the blue line towards Malin Bridge and ask for a ticket to the University.

Our student ambassadors will be at the train station all day so if you need any help, please ask them.

By coach
National Express nationwide coach service has connections from around the country that stop at the Sheffield Transport Interchange, Pond Street. Megabus Coaches also stop at the Meadowhall Interchange which is accessible by Supertram from the city centre.

By car
There are a range of parking options available in the city centre. We recommend checking the Sheffield City Council web pages for travel, parking advice and a map of public car parking available at: www.sheffield.go.uk/roads

There are a couple of multi-story car parks located in the city centre that are operated by Q-park. There are also two of these located on the University campus on Durham Road and Solly Street. For locations and prices see: www.q-park.co.uk/parking/sheffield

Stay over
If you’d like to spend more time in Sheffield before or after your open day, we can recommend some great hotels, B&Bs and restaurants. This gives you a chance to explore the city further and get a feel for it. We even have our own boutique hotel, Halifax Hall Hotel.

Possible delays
The University of Sheffield and Sheffield City Council are working together to transform the public spaces around our city campus. There’ll be new and improved crossings on Western Bank and Upper Hanover Street, pedestrianisation of a number of streets, new cycle routes, lots more trees and plants and some great integrated public art.

While this work is going on there will be road closures which could cause some delays, so please allow extra time for your journey.

Use our interactive map to help you find your way around campus and sign up for our weekly updates so you can be prepared before your visit: check-my-route.group.shef.ac.uk
