Amendments to the Constitution of the Students' Union
Report to University Council April 2017

Students’ Union Council elected a Constitution Committee in November 2016.

Membership:
Dom Trendall, SU President (Chair of Constitution Committee)
Kieran Maxwell, History Councillor
Thomas Brindley, Molecular Biology and Biotechnology Councillor
Valerie Grant, Mature Students’ Councillor

The Committee was serviced by Jaki Booth, Chief Executive.

Recommendations
Constitution Committee reviewed the constitution in 4 key areas and proposed the following changes to Students’ Union Council:-

1) To simplify the clauses detailing who is a Full Member of our Students’ Union and who therefore has the right to stand and vote, participate in Students’ Union activities and access Students’ Union facilities; &

2) To lower the quorum for a referendum from 2,500 to 1,000 voting Full Members; &

3) To formalise Students’ Union Council in the Constitution by creating a new Clause that specifically creates Students’ Union Council within the Constitution, so it is more consistent with the way the Constitution talks about the government of the Students’ Union. This clause also defines the membership of Students’ Union Council to ensure the effective representation of the groups of students that comprise our student population; &

4) To revise how changes are made to the Students’ Union Constitution and who has authority to make such changes. This will give Students’ Union Council authority over certain Bye Laws but changes to the SU Constitution can still only be made by Referenda of all students.

Students’ Union Council approved these changes which were then put to a referendum in March 2017. The referendum was quorate and the changes were approved: 1911 ‘Votes For’, 745 ‘Votes Against’ and 1092 ‘Abstentions’.

Full details of the changes are contained in the appendix (highlighted in red) and are submitted to University Council for approval prior to submission to the Charity Commission.
