Bins

**BIN COLLECTIONS**

Apartments & Flats
You are responsible for regularly emptying your kitchen bins and taking the rubbish and recycling to the bin stores - not your cleaner. General waste, recycling and glass is collected weekly.

Houses
Our waste contractor will collect the bins from your footpath and empty them, so there is no need for you to take them to the road. Remember not to overfill the bin or leave additional rubbish as excess waste won’t be collected. General waste, recycling and glass will be collected weekly or fortnightly depending on the location of your property.

**RECYCLING**

In most kitchens there are facilities to recycle. Please use white or see-through rubbish bags rather than black ones where possible:
- Paper
- Plastics
- Card
- Tin
- Glass

**REFOOD**

Your flat may also have a red REFood bin. This can be filled with food waste which is then processed and turned into renewable energy.

**Green tip:**
Follow the instructions for mixing waste on the bins in your kitchen, otherwise it may not get recycled.

**Cleaning**

**KEEPING YOUR ACCOMMODATION CLEAN**

You are responsible for keeping your bedroom clean and tidy throughout the year. You’re also jointly responsible for keeping shared areas clean and tidy and should work together with your flatmates to make sure that kitchens and shared bathrooms are kept in an acceptable condition.

Your Residence Mentor can offer advice if you need it, such as following a rota for emptying the kitchen bins. You can also ask the cleaners for some tips and advice.

Whether or not you get your deposit back partly depends on how clean you keep your accommodation, so it’s in your interests to keep things clean and tidy!

**Cleaning provision**

- En-suite self-catered
  - Kitchens, stairs, landings cleaned fortnightly
- Standard self-catered
  - Bathrooms, toilets, kitchens, stairs, landings cleaned fortnightly
- En-suite catered
  - Kitchens, stairs, landings cleaned fortnightly
- Standard catered
  - Bathrooms, toilets, stairs & landings & kitchens cleaned weekly

**Houses**

You will be informed whether or not your property will be cleaned. The frequency of the provision will be shown on your welcome card when you arrive.

Cleaning tip:
Take down and wash your shower curtain occasionally to keep it fresh. It can go in the washing machine and be hung back up to dry.

**Chaplaincy**

The University runs a Multi-Faith Chaplaincy Service at 344 Glossop Road. It offers space for prayer, meditation and quiet reflection and also has information about places of worship in Sheffield.

0114 222 8923
chaplaincy@sheffield.ac.uk
www.sheffield.ac.uk/ssid/chaplain

**Donate, Don’t Waste**

Donate. Don’t Waste is our biannual scheme that gives you the chance to donate your unwanted household items to charity. There will be drop-off points throughout the residences, and donated items will benefit local homeless and disadvantaged people or help raise money for good causes.

To find out more email: green@sheffield.ac.uk

Items you can donate include:
- Bedding, such as duvets, pillows and linen, clothing and shoes, cutlery, crockery and cooking utensils, unopened toiletries, books, CDs, and DVDs, non-perishable and unopened food.

**Cleaning tip:**
Take down and wash your shower curtain occasionally to keep it fresh. It can go in the washing machine and be hung back up to dry.

**Keep your accommodation clean**

You are responsible for keeping your bedroom clean and tidy throughout the year. You're also jointly responsible for keeping shared areas clean and tidy and should work together with your flatmates to make sure that kitchens and shared bathrooms are kept in an acceptable condition.

Your Residence Mentor can offer advice if you need it, such as following a rota for emptying the kitchen bins. You can also ask the cleaners for some tips and advice.

Whether or not you get your deposit back partly depends on how clean you keep your accommodation, so it's in your interests to keep things clean and tidy!
WHO IS RESPONSIBLE FOR WHAT?

If you don’t have a cleaner
You’re responsible for looking after all areas of cleaning.

If you have a cleaner
It is your responsibility to make sure that shared areas are kept in a good enough condition for your cleaner to be able to do their job properly.

1. Keep the inside of the fridge clean, remove old food and wipe the shelves regularly
2. Wash up and clear away any kitchen items from work surfaces and sink area before the cleaner arrives
3. Make sure that food doesn’t get stuck to the bottom of the oven - it’s a fire risk
4. Take out rubbish & recycling and if you opt for a food waste bin you are responsible for the disposal of this
5. Wipe down the work surfaces and cooker regularly, especially if you spill food during cooking
6. Do not use the vacuum cleaner to pick up wet spillages

It is your cleaner’s responsibility to:
1. Clean the kitchen work surfaces, sink, taps and draining board
2. Clean the hob and oven inside and out
3. Clean the microwave inside and out
4. Wipe the kettle and toaster
5. Clean the front of fridge/freezers
6. Wipe down the work surfaces and cooker regularly, especially if you spill food during cooking
7. Do not use the vacuum cleaner to pick up wet spillages

En-suite shower rooms cleaned twice per year - you will be informed of the day & date when your en-suite shower room will be cleaned. To enable us to carry this out efficiently & safely we require all personal items to be removed.

Cycle Storage
There are dedicated cycle stores throughout the residences. Just ask Customer Services for the location of the store nearest to you. Cycles must not be taken into buildings or stored in shared areas (e.g. corridors, landings) as they obstruct fire escape routes. If found in these areas, cycles will be removed and you will need to pay a £25 retrieval fee. At the end of your accommodation contract, please remember when you vacate to take your cycle with you – or it will be donated to charity. Depending on where you live, there are different ways to access the cycle stores.

Available 24/7 - 365 days a year

If you live in an apartment (e.g. Froggatt, Kinder) - get your key fob activated at Customer Services. In all other properties (e.g. Stephenson, Broad Lane Court) pick up a cycle store key or get your swipe card activated at Customer Services.

Fire Alarms

When an alarm sounds, you MUST evacuate the premises quickly and orderly.

Disciplinary action
The University has a zero tolerance policy on maliciously activating fire alarms or tampering with fire safety equipment (such as covering a smoke detector or discharging a fire extinguisher without reasonable cause). Such conduct puts lives in danger and is a criminal offence. Any student engaging in such behaviour will be referred for disciplinary action (with a fine of £100 per person as a minimum penalty), required to pay full costs and may be asked to leave their accommodation.

Additionally, if you set off the fire alarm through negligence - for example by burning your cooking or wedging the kitchen door open - this will result in disciplinary action (with a fine of £50 per person as a minimum penalty).

You can help
If you become aware of any potential health and safety risks in your accommodation or in the case of an emergency please call the Security team immediately on 0114 222 4444.

Risks can include:
• Trip hazards - particularly on stairwells
• Fire doors that do not close properly
• Damaged or loose glazing
• Out of order door entry systems
• Faulty electrical appliances

ELECTRICAL APPLIANCES

Your electrical equipment should be compatible with the UK electricity supply and be fitted with a three pin plug with an appropriate fuse.

To ensure your safety:
✓ Never interfere with electrical equipment or installations (including smoke / heat detectors).
✓ Never use electrical equipment that is unsafe (e.g. cables with exposed wires, cracked casings, e-cigarette chargers).
✓ Do not bring in any additional furniture or soft furnishings into the flats: these may not be up to fire safety regulation standards and are therefore fire hazards.
✓ Do not use multi-way block adapters (cube type), trailing adapters and extension leads as these can overheat, are frequently trip hazards and also when plugged into one another are one of the main causes of electrical fires.
✓ Remember to switch off appliances such as irons and hair straighteners before you go out!
✓ Do not use vacuum cleaners to pick up wet spillages.

For more advice and information about fire safety, watch our film at www.sheffield.ac.uk/accommodation/policiesandprocedures

FIRE SAFETY
Your welfare is our top priority and we ensure that all health and safety requirements are adhered to.

We are also fully compliant with the Universities UK Code of Practice (see p.30) which, among other things, aims to ensure students live in a safe environment.

STAY SAFE WHEN COOKING
According to the fire service, the most common cause of domestic fires is unattended cooking. To ensure you don’t cause a fire in your kitchen:

- Read the instruction booklet carefully so that you know how to operate the hob and the cooker safely
- Never interfere with the smoke/heat detectors
- Ensure grill pans and the inside of the oven are clean - any food or cooking fat stuck to them may catch fire when the oven is on
- Stay in the kitchen and keep an eye on your food whilst you’re cooking to make sure that nothing burns
- Never wedge kitchen doors open
- If your cooking burns and there’s smoke, open the windows and turn on the extractor fan. Do not open your kitchen door, since this will activate the smoke alarm in the corridor. Only use cooking appliances in your kitchen or pantry (including toasters and kettles)

Fire Hazards
Candles and fairy lights may look pretty and incense may smell nice, but they are fire hazards and can cause serious damage. No open flames are allowed in your accommodation.

The heating is activated by a thermostat which responds to the outside temperature. If the temperature outside is 18 degrees Celsius or above, the heating will not come on.

We constantly monitor the weather forecasts and turn the heating on when the temperature becomes too low.

As winter kicks in and the temperature drops, we add in an additional ‘booster’ between 12pm-2pm.

If your radiators feel cold during these times, check that the side dial is turned on. If your radiator is still not warm, report it to Maintenance at The Edge or The Ridge reception.

0114 222 4488 (option 1)
acs-helpdesk@sheffield.ac.uk

Don’t hang washing to dry on your radiator! This will act as an insulator and fool the thermostat into thinking the room is warmer than it really is, meaning the heating won’t come on.

Another disadvantage of this is that it will cause damp in the room. There are drying facilities in the launderettes in the residences (please see page 21).

REPORTING A PROBLEM

If you’ve got a fault, a maintenance problem, or a pest control issue, report it to the Maintenance Helpdesk (a £50 call out charge may apply for pest control), 0114 222 4488 (option 1), acs-helpdesk@sheffield.ac.uk or at The Edge and Ridge reception.

When reporting a problem, try to include as much information as possible to enable us to conduct the repair as quickly as possible:

- Full details of what the problem is, eg ‘Drawer broken in the fridge on the right’
- Location of the fault (including block, flat and room number)
- Your name, email address and telephone number

MAINTENANCE TEAM

In order to provide you with the best service possible in your accommodation, we have a large team available to maintain your property. For this reason, we are unable to provide you with the exact details of the member of staff, or the exact time of day they will visit. Depending on the nature of the problem you’ve reported, a member of the Maintenance team will attend to issues in your accommodation between 9am-10pm, seven days a week. Outside of these times, staff can still attend to issues but by invitation or in emergencies only. All issues will be responded to the agreed guidelines of four hours for emergencies (eg loss of hot water or no power) or five working days for non-urgent issues (eg one bulb blown, broken cupboard door).

Not settling in? Feel unhappy in your accommodation? Your Residence Mentor can help. They’ve been a first year too, so understand what it feels like to move to a new city. They can also offer support and guidance if you’re having an issue with a flatmate. If you still aren’t happy after four weeks, you may be able to transfer to alternative University accommodation. To apply, pick up a form from Customer Services at The Edge or The Ridge, or at propertywithUS in the Students’ Union Building. Transfers are subject to availability and cannot be guaranteed.

Noise

Noise can often be a problem. Please always be considerate of your neighbours (both in the student residences and local community) - especially when listening to music or coming home after a night out. You will face disciplinary action if your behaviour negatively impacts on others.

If you’ve got a problem with a noisy neighbour and don’t know how to deal with things, speak to the Residence Mentor. Residence Mentors work closely with Security to monitor noise issues and they can support you in dealing with the matter.

Quiet time:

11pm-7am or 24/7 during exams

TOP TIPS FOR STAYING SAFE

Don’t leave the front door on the latch. It means that anyone can access your accommodation.

Lock doors and windows when not at home.

Don’t allow anyone to follow you into your block unless you know them.

Remember the green break glass button is only to be used in an emergency.

Keep valuables out of sight.

Use the safer routes when walking back from campus. These are patrolled by Security and are covered by CCTV. Don’t walk alone at night.

TV Licensing

Students can be fined up to £1,000 or face prosecution if found not to have a valid TV licence. You need one if you:

**The Village Store**
Located in the heart of Ranmoor/Endcliffe, The Village Store is a one stop shop for all your shopping essentials. Selling everything from fresh fruit and vegetables to local meat and halal sandwiches, there is something for everyone. **Welfare & Wellbeing**
For help and advice with welfare/wellbeing issues contact the Residence Life support and conduct team (see Contacts on page 3).

**Alcohol**
For some students, drinking can play a part in University life. It’s okay to drink in sensible amounts, but there are lots of reasons why excessive drinking can be bad for you.

- Here are some simple things you can do to look after yourself when drinking:
  - Eat a substantial meal before going out.
  - Plan how to get home in advance.
  - When going home, travel with friends - and remember you can use the Safe Taxi Scheme with City Taxis. (p. 29)
  - Alternate alcoholic with non-alcoholic drinks.
  - Don’t pressure your friends into having another drink, or be pressurised by them.
  - Never leave your drink unattended or accept drinks from someone you don’t know.

If you’re concerned that you or a friend is drinking too much, talk to your Residence Mentor – they may be able to help. For more information about the effects of alcohol, visit [www.drinkaware.co.uk](http://www.drinkaware.co.uk)

**Meningitis**
Meningitis can develop rapidly and young people are particularly susceptible. Early symptoms can be very similar to those of flu or even a hangover and include:

- Fever • Vomiting • Severe headache • Stiff neck
- Dislike of bright lights • Rash

There is currently a vaccine for Meningitis C. Speak to the University Health Service (UHS) about getting immunised against this strain. If you have any concerns about your own or a friend’s symptoms, contact the UHS, National Meningitis Helpline or NHS Direct straight away.

See the ‘Health contacts’ on page 5 for details of how to get in touch. If you are feeling that things aren’t going right and want to talk to someone, pop into the student advice centre. We have plenty of people who are happy to listen to any concerns or worries you may have.
