

Viewing your timetable in the iSheffield app

You can also see your timetable on a phone or mobile device by using the iSheffield app.

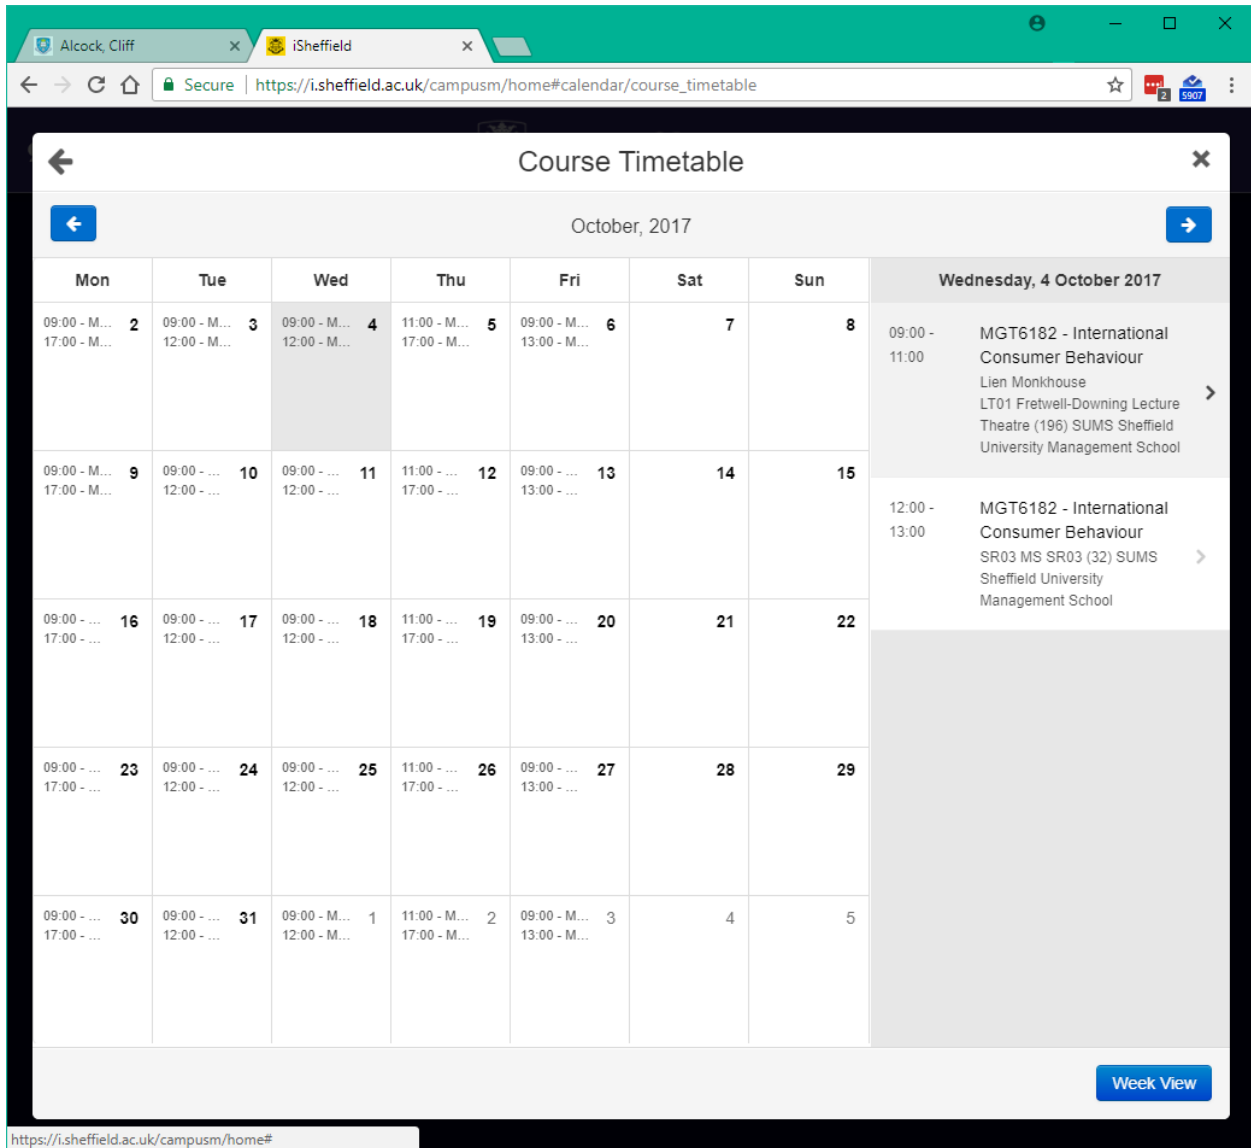

When you open the app simply select the Calendar tile

Select the Course timetable option

The app will then display your timetable either as a month view; when you select a day then the events for that day are shown along the side of the screen.

Or you can display your timetable as a week view

The screenshot shows a web browser window with the URL https://i.sheffield.ac.uk/campus/home#calendar/course_timetable. A modal window titled "Course Timetable" is open, displaying the following information:
