The Leavygreave Bottle Quiz

On the stone tables in the newly transformed University St Georges Campus on Leavygreave Rd there are 15 brass bottles modelled on the famous Hendersons Relish sauce which was until recently made at a small factory on the end of the street.

Each bottle bears a label which refers to an event, person, creature or thing which has a connection with the street or nearby University buildings. Can you identify them all and their local connection? Some are very easy and obvious BUT others quite obscure and will require a little detective work!

Send your completed quiz answers to the Estates Office at Arts Tower Floor 7 or k.harding@sheffield.ac.uk and you could win a duplicate of the brass bottles or other prizes. The quiz will be open until 20th November 2017.

1. Who or what is this? …………………………………………………………………………………………………………………………………………………

What is the connection to this street, the university or Sheffield?

2. Who or what is this? …………………………………………………………………………………………………………………………………………………

What is the connection to this street, the university or Sheffield?
3. Who or what is this? ..............................................................................................................................................................
What is the connection to this street, the university or Sheffield?
................................................................................................................................................................................................

4. Who or what is this? ..............................................................................................................................................................
What is the connection to this street, the university or Sheffield?
................................................................................................................................................................................................

5. Who or what is this? ..............................................................................................................................................................
What is the connection to this street, the university or Sheffield?
................................................................................................................................................................................................
6. Who or what is this? .................................................................................................................................
   What is the connection to this street, the university or Sheffield?
   ........................................................................................................................................................................

7. Who or what is this? .................................................................................................................................
   What is the connection to this street, the university or Sheffield?
   ........................................................................................................................................................................

9. Who or what is this? .................................................................................................................................
   What is the connection to this street, the university or Sheffield?
   ........................................................................................................................................................................
10. Who or what is this? What is the connection to this street, the university or Sheffield?

11. Who or what is this? What is the connection to this street, the university or Sheffield?

12. Who or what is this? What is the connection to this street, the university or Sheffield?
13. Who or what is this? What is the connection to this street, the university or Sheffield?

14. Who or what is this? What is the connection to this street, the university or Sheffield?
15. Who or what is this? ..............................................................................................................................................
What is the connection to this street, the university or Sheffield? ........................................................................
