The General Regulations as to Academic Appeals will not apply to a candidate for a joint award.

17. A Degree awarded under a scheme for joint awards may, unless the scheme makes other provision, be conferred either at a congregation of members of this University held for that purpose or in accordance with the procedures of the partner institution. So far as this University is concerned, the Regulations as to Academic Costume may make provision as to the Academic Costume appropriate to the Degree or other award.

#### **SEMESTERS**

- 31. The Regulations may require or permit a student to complete clinical, practical or other placements, or periods of study or research or work experience in other institutions or abroad. During such periods, students may be subject to supervision, disciplinary and health and safety requirements of an institution, agency or body other than the University and, when abroad, to the requirements of a foreign system of law. A student must comply with all such requirements in addition to those of the Statutes, Ordinances and Regulations of the University.
- 32. Students are required to register at the start of their programme of study, and annually thereafter at the start of each session forming part of their programme of study. Failure to register at a time determined by the President & Vice-Chancellor may result in a student's withdrawal from their programme of study.

## DATA PROTECTION

36. It will be a condition of registration of a student that the student agrees to comply with the terms of any relevant Data Protection legislation, and with the University Statement, Policy, and Guidelines on Data Protection.

## FEES<sup>3</sup>

### **Reference in these Regulations to the President & Vice-Chancellor includes any person authorised to act on behalf of the President & Vice-Chancellor.**

37. Fees are determined from time to time by the Council, which reserves the right to alter fees at any time.
38. In common with other UK universities, the University of Sheffield charges different fees depending on whether students are classed as Home or Overseas for tuition fee purposes. The decision to class a student as a Home or an Overseas student is determined by government legislation as set out in the Education (Fees and Awards) Regulations 2007.
39. The composition fee falls due at the beginning of each session (or at other appropriate times for students entering later in the session) and payment will be sought from the student or from the institution or body (if any) sponsoring the student. In respect of particular programmes of study, Regulations may provide that the composition fee is payable at the start of the programme of study and in respect of the whole period of the programme of study.
40. Students are responsible for the payment of their tuition fees. In the case of a sponsor's failure to pay a student's tuition fee, or agreed part thereof, the student will be liable for any unpaid fees. In the case of a loan withdrawal on the grounds of ineligibility, the student will be liable for any unpaid fees.
41. Before admission a student must provide satisfactory evidence of ability to pay all academic fees, cover maintenance expenditure and pay other dues. A student who does not provide such evidence may be granted temporary registration by the President & Vice-Chancellor. A temporary registration will lapse if the evidence is not provided within the given deadline.
42. Except where permission has been obtained under the terms of the Personal Payments Scheme, neither provisional (for fee paying purposes) nor full registration will be granted for any session to a student who has not paid all composition fees due to the University from any previous session.
43. Subject to the preceding Regulation, a student who has completed registration procedures and has paid the composition fee which then falls due or has made arrangements acceptable to the President & Vice-Chancellor for the planned payment of that fee will be fully registered.
44. A student who is not able to pay the composition fee or make arrangements for the planned payment of that fee may be granted provisional registration (for fee paying purposes) by the President & Vice-Chancellor under the terms of the Personal Payments Scheme. The student will be given a statement of the payments required as a condition of the provisional registration (for fee paying purposes).
45. A student who is provisionally registered (for fee paying purposes) will become fully registered on making the last of the payments required as a condition of the provisional registration (for fee paying purposes). A student who is fully registered may be made provisionally registered (for fee paying purposes) if agreed payments are not made.
46. A provisional registration (for fee paying purposes) will lapse if the payments required are not made, unless it is extended or renewed by the President & Vice-Chancellor, under the terms of the Personal Payments Scheme on conditions agreed with the student.
47. Should a student be refused registration, or an extension or renewal thereto, for non-payment of the composition fee, the student may appeal to the President & Vice-Chancellor by applying to the Personal Payments Scheme. The President & Vice-Chancellor will consider the case and may vary, reverse or uphold the earlier decision.
48. A student who is temporarily or provisionally registered will not be eligible to receive the emoluments of any fellowship, studentship, scholarship or prize awarded by the University.
49. A student permitted to repeat an examination without attendance at lectures or classes is not required to register under these Regulations but will not be permitted to attend the examination without completion of an entry form and payment of the prescribed fees by a date determined by the President & Vice-Chancellor.

51. In the case of a student withdrawing or taking a period of leave from the University, the University will determine whether or not to grant any remission of the liability to pay fees in accordance with the University's Tuition Fee Refund Policy.
52. Students considering withdrawing from their programmes of study or research should consult the Head of Department and seek appropriate advice before leaving the University.
53. Except with the permission of the President & Vice-Chancellor, the award of any qualification will be withheld until after the student has paid all composition fees due to the University.

#### **ATTENDANCE<sup>4</sup>**

54. Any reference to a programme of study or research implies the attendance of the student to pursue that programme in the University or at some place approved in the case of a particular candidature under these Regulations.
55. Except where other provision is made in the relevant Regulations, a full-time student is required to pursue a programme of study in the University throughout the whole of each semester. A student unable to comply with this requirement may seek leave of absence from the Vice-President. In case of enforced absence without such leave, a written explanation must be sent to the Vice-President as soon as possible. However, an Affiliated Institutions Staff candidate may pursue a programme of research in the Affiliated Institution, a Hospital Staff candidate in the relevant hospital or centre, and a designated college candidate in the designated college.
56. Every student is required (a) to attend punctually and regularly lectures and classes; (b) to complete all written assignments, practical or other coursework; (c) to keep appointments to meet with the student's supervisor; and (d) to attend all examinations, as appropriate in each case to the relevant programme of study or research. A student who fails to comply with this Regulation may be failed in the examination for, and (in the case of modular programmes) be denied the credits assigned to, the relevant units or other parts of the programme of study or dealt with under the General Regulations as to the Progress of Students.

#### **STUDY FOR OTHER DEGREES**

  - 1.4.1 A student wishing to resume their studies following a Leave of Absence will be required to register in order to resume their programme of study.
  - 1.4.2 Students who have been on a Medical Leave of Absence must obtain a certificate from the University Health Service to confirm that they are fit to resume their studies. Registration cannot be completed until this confirmation has been received.
  - 1.4.3 Students returning from Maternity Leave or Leave of Absence on non-medical grounds do not need to make an appointment with the University Health Service.
  - 1.4.4 All students returning from Leave of Absence will be contacted by the University shortly before it is due to end and will be asked to confirm whether they will be resuming their studies. It is important that students respond to this request so that appropriate advice and instruction can be given. Failure to respond within the allocated time period may result in a student's registration being terminated.
- 1.5 Additional Information for Students
  - 1.5.1 Medical Students on Intercalated Pathways:

Students on the MBChB programme who wish to progress to an Intercalated MSc programme at the University of Sheffield may be required to register twice in the year

in which they begin their MSc, once for the MBChB and again for the MSc Programme, as follows:

- (a) He/she may be required to register as a continuing student on the MBChB programme as in previous years after which a Leave of Absence will be applied to this Registration Record in order to allow progression onto the MSc.
- (b) Students will also be required to register as a new student on the MSc programme. Students on this pathway should read and follow the registration instructions carefully to ensure they understand what is required of them.

Students on the MBChB programme who intend to progress to an Intercalated MSc at another university will be required to register as follows:

- (c) Students may be required to register at the University of Sheffield as a continuing student on to the next year of the MBChB programme, after which a Leave of Absence will be applied to their record
- (d) Students will then register for their intercalated year at the institution where they will be studying for their MSc, in accordance with the registration guidance and process of that institution.

1.5.2 International students:

- (a) Students who are sponsored by the University under Tier 4 of the UK Points-Based Immigration System must comply with statutory immigration requirements and with the University's corresponding policies and procedures.
- (b) Where a student is unable to comply fully at the point of registration, but is able to provide evidence to show that they will be able to do so, they will be granted a Provisional Registration. Such students are permitted to attend lectures and classes but are required to comply with immigration requirements by a given deadline in order to progress to a full registration.
- (c) The University may withdraw immigration sponsorship from any student who does not comply with these requirements, or is unable to complete their registration within the required time period, and this may result in the termination of a registration.
- (d) International students should note that any change to their registration status within the University may impact on their right to stay in the UK.

1.5.3 Erasmus and Study Abroad students:

- (a) Students attending the University under the Erasmus or Study Abroad exchange programmes must choose up to 60 Sheffield credits (30 ECTS) per semester and are not permitted to register for more credits than this.
- (b) The minimum number of credits a student can register for is 40 Sheffield credits (20 ECTS) for one semester or 100 Sheffield credits (50 ECTS) for a full year of study.
- (c) Students wishing to study fewer than 60 Sheffield credits (30 ECTS) per semester must provide a supporting letter from their home university.

1.5.4 Students spending time abroad:

- (a) Where a student travels abroad to undertake an activity organised, sponsored or facilitated by the University for one month or more, it is essential that they update the contact details in their student record with their overseas correspondence address.
- (b) This information will be used to contact the student in case of emergency, for example where an incident occurs in the location they are based in during their time abroad.
- (c) It is the student's responsibility to ensure that this information is kept up to date and updates can be made online via My Record in MUSE, or

by notifying SSiD in writing. It is not sufficient for the student to inform their department of their address, as this may not be recorded in the University's central records.

## 2. Registration Statuses

- 2.1 A student will be considered 'registered' once they have a Registration Status of *Fully Registered, Temporarily Registered or Provisionally Registered*.
- 2.2 Students with any of these Registration Statuses can follow their programme of study or research as normal.
- 2.3 In order to become Fully Registered a student must have done the following:
  - 2.3.1 provided satisfactory evidence of their identity;
  - 2.3.2 paid their tuition fees or agreed a payment plan with the University;
  - 2.3.3 have the required number of modules for their programme on their Registration Record;
  - 2.3.4 completed all mandatory sections of the Registration Process;
  - 2.3.5 provided evidence of their pre-entry qualifications (if required);
  - 2.3.6 met immigration requirements and provided evidence of their right to study in the UK (where required);
  - 2.3.7 read and signed the Registration Declaration.
- 2.4 In the event that a student is unable to pay their tuition fees or agree a payment plan with the University at the point of registration, Temporary Registration may be granted. He/she will become Fully Registered once he/she has either make all required payments or agreed a payment plan. Failure to comply with financial requirements within a given timeframe, as determined by the University, may lead to the termination of his/her registration.
- 2.5 Where a student is required to provide evidence of their right to remain in the UK, but is unable to do so at the point of registration, they may be granted a Registration Status of Provisionally Registered. This will be changed to Fully Registered once the required evidence has been provided. Failure to comply with immigration requirements within a given timeframe, as determined by the University, may lead to the termination of their registration.
- 2.6 Students required, but unable, to provide evidence of their pre-entry qualifications at the time of registration may be granted a Registration Status of Provisionally Registered. This will be changed to Fully Registered once the required evidence has been provided. Failure to comply with this requirement within a given timeframe, as determined by the University, may lead to the termination of their registration.
- 2.7 Where a student is unable to meet more than one of the requirements referred to in points 2.4, 2.5 and 2.6 above, non-presentation of immigration and/or qualifications evidence will take precedence and a Registration of Status of Provisionally Registered will be applied. On presentation of the necessary evidence, should tuition fees or an agreed payment plan remain outstanding the student's Registration Status will be changed to Temporarily Registered and point 2.4 above will apply.

## 3. Registration for Programmes and Modules

- 3.1 Registration can only be completed once a student has the required number of modules added to their Registration Record. Information about modules can be found in the Programme Regulations which are associated with each programme of study. These regulations contain information about the modules a student must register for (enrol on) and their individual credit value.
- 3.2 Some Programme Regulations allow students to choose modules from a range of options. This information is also provided within the Programme Regulations.
- 3.3 Students wishing to register for more than 120 credits in any session will need to seek the approval of their Faculty.
- 3.4 Students may not enrol for the same module more than once during the course of any programme of study.
- 3.5 At the start of each semester, there is a three-week period during which students may make changes to the modules for which they have registered. This is called the Add/Drop period.

Any changes requested after Add/Drop (after the end of the third week of the semester) will require the permission of the Faculty.

- 3.6 Academic departments may provide additional Add/Drop guidance and instructions and students should consult their departments and check the relevant Programme Regulations for more information before making their choices.
- 3.7 It is expected that Erasmus and Study Abroad students will register for modules or units at the level they are studying at in their home institutions (i.e. Bachelor level students should not be applying for Masters level modules).

#### **4. UCards and Access to IT Services**

- 4.1 Once a student has been given a Registration of Fully, Provisionally or Temporarily Registered, he/she will be issued with a Student UCard. The UCard officially identifies the holder as a University of Sheffield student.
- 4.2 The UCard gives a student access to student IT Services and many other services and facilities. It is the property of the University of Sheffield and students are expected to carry their UCard with them at all times whilst on University property.
- 4.3 The UCard is issued with an expiry date which reflects the expected *end of study* date at the time of printing. The expiry date will only be altered if an official change to the end of study date is agreed by the University, and a student's record has been updated accordingly.
- 4.4 Access to IT Services depends upon a student having a valid username and password and an eligible Registration Status. Where a student's registration is suspended or terminated (see section 5 below), this will remove their access to IT Services and invalidate their UCard.

#### **5. Termination or Suspension of a Registration**

- 5.1 If a student fails to complete the registration process within the required timescale, he/she may be Deemed Withdrawn from the programme of study; this means that the University will terminate their student registration and they will no longer be considered a registered student of the University.
- 5.2 If a student fails to communicate with the University at the end of a period of Leave of Absence, it will be assumed that they do not wish to continue their studies and the process of withdrawing them from their programme will be instigated.
- 5.3 If a student fails to respond to repeated reminders relating to outstanding tuition fee payments, or to requests for evidence related to immigration of qualifications, the University may suspend their registration temporarily pending completion of the required action by the student. In these circumstances, international students should particularly refer to section 1.5.2 of these notes.
- 5.4 Students will be given advance notice by the University of any termination or suspension of their registration.

### **NOTES FOR STUDENTS ON TUITION FEES**

#### **1. Tuition Fee Status**

- 1.1 The tuition fee a student is required to pay will be determined by their Fee Status. A student may be eligible for a fee status of Home or a fee status of Overseas. The decision to class a student as a Home or an Overseas student is determined by government legislation as set out in the Education (Fees and Awards) Regulations 2007. The regulations governing the fee status of students can be found on the government legislation website.
- 1.2 In common with other UK universities, the University of Sheffield charges different fees depending on whether students are classed as Home or Overseas for tuition fee purposes. Information about the rules a student needs to meet to qualify for Home fee status is given on the UKCISA website. The University's information on Fee Status can be found on the University's fee status webpages.
- 1.3 Who can be classed a Home student for fee purposes?  
The Education (Fees and Awards) Regulations 2007 define who is eligible for Home fee status, setting out the categories of students who are eligible to pay the Home rate of tuition fees. Students should consult the Regulations for current definitions of eligibility.
- 1.4 What students should know about fee status:

- 1.4.1 students should understand the definition of **Ordinary Residence** and the concept of being '**settled**' in the UK. These definitions are provided on the UKCISA website ([www.ukcisa.org.uk](http://www.ukcisa.org.uk));
- 1.4.2 each university will determine the fee status of its students. A decision by one university will not have a bearing on the decision of another university and their fee status will need confirming by each university they apply to;
- 1.4.3 it is essential to provide full and accurate information at the time of applying and before registering;
- 1.4.4 the fee status is determined **at the start of studies**. Once registered, a student's fee status is unlikely to change; by signing the Registration Declaration when they register, students are confirming that the information provided at the time of registering is full and accurate. Changes to this information thereafter are unlikely to be considered by the University in a request for a change to fee status.
- 1.5 It is a student's responsibility to clarify their fee status during the application process. If a student thinks their fee status could be in question, they should:
  - 1.5.1 read the guidance provided by the UK Council for International Students (UKCISA);
  - 1.5.2 request a formal Fee Status Assessment from the University's Admissions Service by contacting the University's Admissions Service.
- 1.6 Channel Islands and Isle of Man: Undergraduates from the Channel Islands and the Isle of Man meeting the criteria for classification as Home students will be charged the same fee as mainland UK students. Postgraduate students from the Channel Islands and the Isle of Man will be subject to a Fee Status Assessment to determine the level of fee.
- 1.7 Fee Status Assessments
  - 1.7.1 The University's Admissions Service will normally undertake a Fee Status Assessment after an offer of a place has been made;
  - 1.7.2 The University's ruling on fee status is independent of decisions take by other universities or organisations (for example: student finance bodies, research councils, the NHS). Other organisations may arrive at a different outcome following their assessment of your fee status;
  - 1.7.3 The University will take the information provided in the application on good faith; in effect, this means that if the fee status appears clear from the information provided in the application, the University will assume the information is full and accurate. However, the University may contact students at any time, if a query arises on their fee status;
  - 1.7.4 If a student's fee status is unclear from the information provided in the application, the Admissions Service may undertake a fees status assessment;
  - 1.7.5 If students wish to ensure that their fee status is accurate before the start of their studies, they should request a fee status assessment by the Admissions Service. A fee status assessment will not be undertaken before an application is submitted;
  - 1.7.6 Once a student's fee status has been ruled upon, the application record will be updated accordingly. It is the student's responsibility to bring to the University's attention any omission or error which may have a bearing on their fee status before registering.
- 1.8 Students should understand that their rate of fee is subject to confirmation by the University and that they may be required to provide evidence of their nationality/immigration status, residential, education and employment history at any time. They should also understand that the provision of false information may result in a fee status and tuition fee change.
- 1.9 Overseas students who expect to qualify for a Home rate of tuition fee at a point after the start date of their programme should defer their entry to the University. Detailed advice can be obtained from the University's Admissions Service.

## 2. Tuition Fees

- 2.1 The University's Home and Overseas tuition fees are listed online via the Student Services Information Desk webpages.
- 2.2 Tuition fees may increase in line with inflation.

- 2.3 Tuition fees for Overseas Students are fixed at the start of the programme, and remain unchanged in subsequent years, with the exception of fees for Medical and Dental programmes which incur a clinical fee in the final years of the course and for Integrated Programmes (where a student might progress on from a Master's to a Research degree). The fixed fee guarantee is only available to students who remain on the course to which they were originally admitted; if a student changes their course, they may be subject to a higher or lower rate of fee in subsequent years of study.
- 2.4 Students who opt to change programmes should be aware that this may lead to a change in the level of their tuition fee.
- 2.5 Different fee levels apply to students who:
- 2.5.1 are on 'Placement', such as on a Year Abroad or a Year In Industry/Employment;
  - 2.5.2 are on a repeat period of study (with tuition);
  - 2.5.3 are on an Intercalated degree course: students who intercalate pay the relevant annual tuition fee for the new undergraduate or postgraduate course. Students who wish to intercalate at another university are not required to pay tuition fees to the University; MBChB/BDS students who return to their MBChB/BDS course should note that if they intercalate on a postgraduate course, their future funding from Student Finance England may be affected. Students should contact the Medical School for advice;
  - 2.5.4 spend between one and three years 'In Practice' (e.g. in the School of Architecture);
  - 2.5.5 are classed as 'Remote Location';
  - 2.5.6 attend as an 'External Candidate' to resit examination(s) only, i.e. do not intend to attend classes: resit fees are payable subject to the number of credits being re-examined;
  - 2.5.7 choose to do a 'Languages for All' module. Fees are determined by:
    - (a) the number of credits/modules taken;
    - (b) the student's current registration status;
    - (c) the availability of unrestricted choice on their main programme of study;
  - 2.5.8 are studying at the English Language Teaching Centre where the fees are charged on a weekly basis.

### **3. The Financial Declaration**

- 3.1 It is a requirement of the registration process that students complete the online Financial Declaration, in advance or at registration.
- 3.2 The Financial Declaration requires students to:
- 3.2.1 acknowledge and agree to the rate of fee they are being charged;
  - 3.2.2 confirm they have the funds to cover their tuition fees and living costs for the duration of their course;
  - 3.2.3 disclose how their tuition fees will be paid (by means of personal funds, a loan or sponsor funding);
  - 3.2.4 agree to pay their tuition fees by means of a university-approved payment plan; students should note that fees are payable in each academic session.
- 3.3 UK/EU students should confirm whether they have applied for, and are expecting to, receive a loan from Student Finance.
- 3.4 Sponsored students will be required to provide evidence of their funding and to acknowledge their personal tuition fee liability in the case of their sponsor failing to settle their fees.
- 3.5 Postgraduate Research students expecting to be in receipt of a University Scholarship or funding from a Research Council should advise the University via the Financial Declaration.
- 3.6 Postgraduate Taught students will be asked to confirm if they have previously studied at the University.

### **4. Payment of Tuition Fees**

- 4.1 It is a requirement of the University's registration process that, in order to gain Full Registration, students have a fee payment arrangement in place, or provide evidence of sponsorship, in advance, or at the time, of registering. Up to date information on payment

arrangements can be found on the University's tuition fee pages ([www.sheffield.ac.uk/registration/tuitionfees](http://www.sheffield.ac.uk/registration/tuitionfees)).

- 4.2 The University provides students with a range of payment options. A payment discount is available to students who opt to pay their fees in full before the start of their course. However, the University reserves the right to request that payment is made in full at the start of each year of study.
- 4.3 Self-funded students must make arrangements to pay their tuition fees either in full or by instalments by an approved payment method. Such students should note that The University does not issue invoices to self-funded students.
- 4.4 Where students are expecting an external organisation (e.g. an employer/embassy) to pay some or all of their tuition fee, they are required to provide evidence of the funding arrangements; more information for sponsored students can be found at: [www.sheffield.ac.uk/registration/tuitionfees/sponsored-students](http://www.sheffield.ac.uk/registration/tuitionfees/sponsored-students). Fees from a sponsor must be paid in full upon receipt of an invoice. Students should note that The University does not issue receipts for payments made in advance; the cardholder will receive an email confirming payment.
- 4.5 Students may be entitled to a University Scholarship, as follows:
  - 4.5.1 Home Postgraduate students who have previously graduated from The University of Sheffield are eligible for a 10% Alumni Reward; the application/eligibility process is part of the registration process;
  - 4.5.2 self-funded overseas students may be eligible to apply for a Faculty/Country Scholarship;
  - 4.5.3 students with a sibling or spouse (including civil partner) who is studying at the University may be eligible to apply for the Sibling & Spouse Scholarship. Students should note that in the event of a scholarship being withdrawn on grounds of ineligibility, they will become liable for any resulting unpaid tuition fees.
- 4.6 Students should make every effort to honour the agreement to pay tuition fees by ensuring that they have sufficient funds in their bank account when the payment is due. If a student becomes aware that they may face difficulties in meeting a payment, they must contact the Student Fees Team in the Student Administration Service **in advance of the payment date**, in order to discuss a possible alternative payment arrangement. If the payment does not reach the University as agreed with prior notice, students may have their registration and computer facilities cancelled. They may be required to settle all outstanding fees before they are permitted to re-register and the University may withdraw the option to pay in instalments.
- 4.7 Students are not permitted to continue into a further period of study with an academic-related debt unless they have arranged payment of the debt via the Personal Payments Scheme and/or have the express agreement of the Student Fees Team.
- 4.8 Students are not permitted to graduate until all outstanding academic-related debts have been paid.
- 4.9 The University operates a Tuition Fee Refund Policy. A student may be eligible for a refund if he/she:
  - 4.9.1 takes a leave of absence or withdraws from the University, with the following exceptions:
    - (a) where the period of leave of absence ends in the same academic year;
    - (b) if the student is a Postgraduate Research student and the leave of absence is for a period of less than six months within the same academic session (for PGR students, the registration start date marks the start of a twelve month academic session);
  - 4.9.2 transfers or downgrades from a Masters' qualification to a Diploma or Certificate qualification (unless the student has received teaching/supervision for the higher award or the transfer or downgrade is the result of a failure to progress on the higher qualification);
  - 4.9.3 submits their thesis early (having paid all fees due to cover the minimum fee paying period);
  - 4.9.4 starts or leaves their English Language Teaching Centre programme earlier than expected.

**5. Temporary Registration**

If a student cannot pay or provide a sponsor letter by the time they are required to register, they may be given Temporary Registration. Students on a Temporary Registration should keep the Student Fees Team informed of their financial circumstances at all times. Failure to do so may result in: loss of access to University services and facilities; exclusion from classes; withdrawal.

**6. Provisional Registration (for fee paying purposes)**

A Provisional Registration Status may be granted to students who encounter unexpected financial difficulty whilst on their course. If a student cannot pay their tuition fee either in full or in instalments under one of the University's standard instalment payment plans, a student should contact the Student Fees Team. Students who are provisionally registered (i.e. given a Provisional Registration Status for fee purposes) are entitled to the same services and support as fully registered students.
