Champions of:
- Inclusivity
- Social Justice
- Equity
- Change

A Summary of SEED...
- Peer led professional development programme
- Reflective learning
- Systems thinking
- Educational equity
- Personal and institutional transformation

Why do we need it?
- "There’s loads of stuff online. Why do I need this?"
- We need to integrate this into our practice
- "It addresses gap between rhetoric and practice"
- "It’s transformational!"

Impact
- SEED mobilizes change
- Embeds people and personal empowerment
- Leads to transformation
- "It made me feel like I can make a difference. It’s more inclusive and beyond."

Each person crafts their own toolkit
- No seminars, lectures, or workshops
- SEED participant
