3. Eligible candidates: Students taking the examination for the Certificate in Professional Practice who are also holders of the Diploma in Architecture or MArch in Architecture of the University.

Peter Blundell Jones Memorial Fund – Travel Grants

Founded in 2018, this prize was established through the generosity of the family of Peter Blundell Jones, a much respected former member of staff of the School of Architecture from 1994-2016, and staff in the School of Architecture.

1. Frequency of award: One annually.
2. Value of the prize: 2 x £300 or 1 x £600 cheques (there can be one or two prizes each year)
3. Eligible candidates: Students in the School of Architecture from low-income background as recognised during their admission process.
4. Assessors: To be chosen by the Financial Support Team in Student Support Services in conjunction with the School of Architecture.
5. Criteria for assessment: Current students in the School of Architecture who meet the eligibility criteria and are travelling abroad to enhance their studies.
The Pearn Kandola Best Dissertation Prize in Occupational and Work Psychology

Founded in 2015, this prize was established through the generosity of Pearn Kandola.

1. **Frequency of award:** One annually.
2. **Value of the prize:** £100.
3. **Eligible candidates:** Students on the MSc Occupational Psychology or MSc in Work Psychology programmes.
4. **Assessors:** The Exam Board within the Institute of Work Psychology (within the Management School).
5. **Criteria for assessment:** The student with the best overall performance on their dissertation (overall grade awarded, greatest contribution to the field and greatest practical application).

The Anne Knight Memorial Prize for Excellence

This prize was established in 2019 in memory of English social reformer, abolitionist and pioneer of feminism, Anne Knight. It will be awarded to the single honours Politics student whose overall performance at levels 2 and 3 is deemed most outstanding.

1. **Frequency of award:** One annually.
2. **Value of prize:** £50.
3. **Eligible candidates:** Final year undergraduate students reading for a single honours degree in Politics.
4. **Assessors:** The Board of Examiners in The Department of Politics.
5. **Criteria for assessment:** Best overall performance across level 2 and 3.

Knoop Economics Prize

This prize was founded in 1948 from funds subscribed on his retirement by former students and friends of the late Professor D Knoop, Head of the Department of Economics from 1910 to 1948.

1. **Frequency of award:** One annually.
2. **Value of prize:** £200.
3. **Eligible candidates:** Students taking Economics in a Level 3 Examination.
4. **Assessors:** The Examiners for the above examination.
5. **Criteria for assessment:** The above examination.

Maxwell Kohler Memorial Prize

This prize was established in 2015 in memory of Maxwell Kohler, an undergraduate Law student between 2013 and 2015, to recognise outstanding academic achievement by students registered in the School of Law for Level 2 of undergraduate study.

1. **Frequency of award:** One annually.
2. **Value of prize:** £75.
3. **Eligible candidates:** All students taking Level 2 examinations for Bachelor’s Degrees in the School of Law.
4. **Assessors:** The Examiners in the School of Law.
5. **Criteria for assessment:** Best overall academic performance at Level 2.

Laverick-Webster-Hewitt Prizes

Prizes in Mining provided for many years through the generosity of Mr J H W Laverick were renamed as Laverick-Webster prizes in 1964, after their value had been substantially increased by Major N E Webster. In 1971 this prize fund was combined with that for the Hewitt Prize in Mining Engineering, which dated from 1960, and the present three prizes were established.

1. **Frequency of award:** Three annually.
2. **Value of prizes:** £150.
3. **Eligible candidates:** (a) Students taking the Level 2 Examination for the Degree of BEng in the Department of Civil and Structural Engineering. (b) Students taking the Master’s Degree course in Control Systems in the Department of Automatic Control and Systems Engineering. (c) Students taking the Final Examination in Environmental Sciences.
4. **Assessor:** For each prize, the Head of the appropriate Department/Unit.
5. **Criteria for assessment:** The appropriate examinations.
Laverick-Webster-Hewitt Travelling Fellowship
Established in 1971 on the amalgamation of funds previously used to provide the Laverick-Webster and Hewitt Prizes in mining subjects.
1. **Frequency of award:** One annually.
2. **Value of prize:** £450.
3. **Eligible candidates:** Students who are registered in the Faculty of Engineering, or who are studying Environmental Sciences and Physical Geography, and who wish to undertake travel, training, research or design in areas of international importance such as environmental problems.
4. **Assessors:** The Faculty Director of Learning and Teaching - Engineering and the Sorby Professor of Geoscience.
5. **Criteria for assessment:** The merit of the proposed programme of study.
6. **Special conditions:** (a) Applications should be made to the Registrar and Secretary by 1 May in each year, together with a statement about the proposed programme. (b) Preference will be given to applications from undergraduate students.

Learning Light Prize
Founded in 2014, this prize was established through the generosity of Learning Light Limited.
1. **Frequency of award:** One annually.
2. **Value of the prize:** £100 Amazon voucher.
3. **Eligible candidates:** Postgraduate students in the Information School.
4. **Assessors:** The Examiners in the Information School.
5. **Criteria for assessment:** Best dissertation in the field of e-learning.

Tony Lewis Prize
This prize was established in 2004 through the generosity of Mr Tony Lewis (LLB 1977). Mr Lewis, a former graduate of the School of Law, gave a donation during his lifetime to set-up the prize and on his death in 2015 left the University a gift in his Will.
1. **Frequency of award:** One annually.
2. **Value of prize:** £400 or total value not exceeding the annual income from the endowment.
3. **Eligible candidates:** Students taking the Level 3 Examination for the degree of LLB (LAWU101) in the School of Law.
4. **Assessors:** The examiners for the above degree programme.
5. **Criteria for assessment:** Most impressive improvement from Level 2 to Level 3. Where candidates have made equally impressive improvement the student with the higher class of degree will be awarded the prize. The prize can be shared between no more than two students.

Lloyds Bank Prize in Financial Management
This prize was established in 2015 through the generosity of the Lloyds Bank.
1. **Frequency of award:** One annually.
2. **Value of the prize:** £100.
3. **Eligible candidates:** MBA students in the Management School.
4. **Assessors:** The MBA Examiners in the Management School.
5. **Criteria for assessment:** The best overall performance in Financial Management modules in the MBA programme based on assessed work and examination results.

The Stephen Ludlam Memorial Prize
This prize is awarded once annually in memory of Dr Stephen Ludlam a former Senior Lecturer in The Department of Politics for the best overall performance by a mature student (over the age of 21 when s/he entered the University) in their final year of undergraduate study.
1. **Frequency of award:** One annually
2. **Value of the prize:** £100 cheque
3. **Eligible candidates:** A mature student (over the age of 21 when s/he entered the University) in their final year of undergraduate study on a single or dual honours degree in Politics.
4. **Assessors:** The Examiners in the Department of Politics.
5. **Criteria for assessment:** Best overall performance in the final year of the programme. Contributions made in seminars and coursework performance are taken into account in addition to examination results.
The Professor Josephine Maltby Memorial Prize

This prize was founded in 2018, by family and colleagues of Professor Maltby, a dedicated researcher and lecturer in Accounting, Governance and Finance, who died in December 2017

1. **Frequency of award**: one annually
2. **Value of the prize**: £500
3. **Eligible candidates**: MSc Programme Accounting, Governance and Financial Management (MGTT192)
4. **Assessors**: The Examiners in the Management School
5. **Criteria for assessment**: The best performance overall on MGTT192 programme. This performance will be the best overall performance with the greatest WAG across the whole programme including dissertation. The eligible student will also have no fails in their grade portfolio nor any resits.

Pamela Mann Prize

Established in 2016, following a generous donation left to the School by Pamela Mann MBE 1993, RIBA 1956 who qualified as an architect following completion of her BA Architecture at the University of Sheffield in 1954. She spent her early professional life in private practice before joining the former Welsh Hospital Board in 1963. Miss Mann made a major contribution to the Welsh community hospital programme, which is recognised as a national leader in the provision of hospital care in the community. Her designs have received Architectural awards and the accolades of patients and staff.

1. **Frequency of award**: Two annually.
2. **Value of prize**: £350.
3. **Eligible candidates**: Students studying on a Postgraduate Taught Masters course at the School of Architecture.
4. **Assessors**: The Internal Examiners of the School of Architecture.
5. **Criteria for assessment**: Will be awarded for the Postgraduate Taught Masters thesis project which best reflects a response to health, well-being and care in the community.

Mansell Jenkinson Prize in Architecture

This prize was established in 1969 through a joint gift from the firm of Mansell Jenkinson & Partners and from the family of the late J Mansell Jenkinson, Esq, in memory of the latter’s long association with the University.

1. **Frequency of award**: One annually.
2. **Value of prize**: £50.
3. **Eligible candidates**: Students of the School of Architecture completing Level 3 of a programme of study leading to the Degree of Bachelor of Arts.
4. **Assessors**: The Examiners in Architecture.
5. **Criteria for assessment**: Studio work relating to the study of Building Construction.

Marquand Essay Prize

This prize has been made available by Professor David Marquand to promote intellectual scholarship and presentation skills.

1. **Frequency of award**: One annually.
2. **Value of prize**: £35.
3. **Eligible candidates**: Level 3 students taking an essay project within the Department of Politics.
4. **Assessors**: The External Examiners for the relevant modules.
5. **Criteria for assessment**: The best overall performance in the essay project.
Ian Masser Prize

The prize was established in 1998 by Emeritus Professor F I Masser on the occasion of his retirement from the University and from the Department of Town and Regional Planning after 19 years as Professor of Town and Regional Planning. The Prize reflects Professor Masser’s wide-ranging interests in the management of information in planning and related fields.

1. **Frequency of award:** One annually.
2. **Value of prize:** £50.
3. **Eligible candidates:** Students registered for undergraduate and postgraduate programmes of study within the Department of Urban Studies and Planning, including dual degrees.
4. **Assessors:** The Examiners for the examinations in the above programmes of study.
5. **Criteria for assessment:** The best undergraduate or postgraduate project, or the best research study, MA or MArch dissertation in the field of information management.

L R Moore Prizes in Geology

These prizes were founded in 1978 by Emeritus Professor L R Moore following his retirement from the Sorby Chair of Geology after 28 years' occupancy.

1. **Frequency of award:** Two annually.
2. **Value of prizes:** Total value not exceeding the annual income from the endowment.
3. **Eligible candidates:** Students undertaking Degree programmes in Natural Environmental Science (one prize) or Physical Geography (one prize).
4. **Assessor:** The examiners for the final examinations in Geography.
5. **Criteria for assessment:** Reports and maps on a final year field project that involves a significant Geology component.

Derek Morgan Memorial Prize

This prize was established in 2012 in memory of Derek Morgan, Professor in Law and a member of staff in the School of Law from 2008 to 2010, to recognise outstanding achievement and contribution to the work of the Freelaw Pro Bono Clinic.

1. **Frequency of award:** One annually.
2. **Value of prize:** £37.50.
3. **Eligible candidates:** All students undertaking LAW3023 Freelaw.
4. **Assessors:** The examiners in the School of Law.
5. **Criteria for assessment:** Best overall performance on LAW3023

Most Creative Final Project

This prize was established in 2018 by FPCR Environment & Design Ltd.

1. **Frequency of award:** One annually
2. **Value of prize:** £500
3. **Eligible candidates:** Students in the Department of Landscape who are candidates for
   1. level 2 of the MA in Landscape Architecture
   2. the MLA in Landscape Architecture
   3. the MA in Landscape Management
4. **Assessors:** The examiners of the final project in the Department of Landscape and Directors of FPCR Ltd
5. **Criteria for assessment:** This prize is awarded for the most original response to the project brief in the final design project.

Kenneth H Murta Prize in Architecture

This prize was established through the generosity of the family of Professor Kenneth Murta, a former Head of Department, who taught in the School of Architecture from 1962 to 1991.

1. **Frequency of award:** One annually.
2. **Value of prize:** £500.
3. **Eligible candidates:** Final year MArch students and PGT students in the School of Architecture.
4. **Assessors:** The Internal Examiners in the School of Architecture.
5. **Criteria for assessment:** Exceptional design project work.
**OCLC Prize**
This prize was established in 2011 through the generosity of OCLC and is to encourage research by students in the digital library field.

1. *Frequency of award:* One annually.
2. *Value of prize:* £100.

---

**Oxford University Press Law Prize**
This prize was made available in 1993 through the generosity of the Blackstone Press Limited (now Oxford University Press).

1. *Frequency of award:* One annually.
3. *Eligible candidates:* Level 1 students reading for the Degree of LLB.
4. *Assessors:* The Examiners for the Level 1 Examination.

---

**J K Page Prize in Environmental Science**
This prize was established in 1985 by Professor J K Page on the occasion of his retirement from the former Department of Building Science after 24 years as Professor of Building Science. It is intended that the Prize reflects Professor Page’s wide ranging interests on the application of science to the area of the built environment.

1. *Frequency of award:* One annually.
2. *Value of prize:* £60.
3. *Eligible candidates:* All students in the School of Architecture on the MArch in Architecture course.
4. *Assessor:* The Head of the Building Science Unit in the School of Architecture.
5. *Criteria for assessment:* Outstanding work in the area of Environmental Design in relation to Architecture, submitted with the approval of the Head of the School of Architecture.

---

**The Peak Indicators Prize for Best Dissertation**
This prize was established in 2014 through the generosity of Peak Indicators, one of Europe's most experienced Business Intelligence consulting firms. The prize aims to recognise the achievement of students for their Dissertation within the MSc Data Science programme.

1. *Frequency of award:* One annually.
2. *Value of the prize:* £100 Amazon voucher.
3. *Eligible candidates:* Students in The Information School on the MSc Data Science programme.
4. *Assessors:* Recommended by the Programme Coordinator for MSc Data Science and approved by a representative of Peak Indicators and the appropriate External Examiner for Data Science.
5. *Criteria for assessment:* Best overall performance (i.e. highest grade) in the Dissertation.

---

**The Department of Politics Prize for Excellence**
This prize was established in 2014 and will be awarded to the single honours Politics student whose overall performance at levels 2 and 3 is deemed most outstanding.

1. *Frequency of award:* One annually.
3. *Eligible candidates:* Final year undergraduate students reading for a single honours degree in Politics.
4. *Assessors:* The Board of Examiners in the Politics Department.
Post-Qualifying Social Work Prize in Sociological Studies

This prize is to be awarded for an outstanding dissertation written by a post-qualifying social work Masters student in Sociological Studies.

3. Eligible candidates: All taught Masters students in Sociological Studies undertaking the qualifying or post-qualifying social work programme (SCST18 or SCST26).

Star (Sheffield) Prize

This prize has been made available through the generosity of The Star (Sheffield) newspaper.

1. Frequency of award: One annually.
3. Eligible candidates: Level 3 undergraduate students taking the BA (Hons) in Journalism Studies.

Sir H K Stephenson Travelling Studentship in Architecture

The Senate agreed to the foundation of this scholarship in 1960, the amount of money in the Sir H K Stephenson Endowment Fund being then judged adequate to provide for it. The studentship is to be used for travel and study in Britain and abroad related to the candidate’s approved subject for thesis, to be undertaken during the long vacation prior to commencing the final year of study.

1. Frequency of award: Two annually.
2. Value of prizes: £300 each.
3. Eligible candidates: Candidates must be of British nationality and have gained admission to the final year for the MArch in Architecture.
4. Assessors: An Advisory Committee consisting of the, the Head of the School of Architecture and another member of the School nominated to the Senate by him, with two persons appointed as External Examiners for the MArch in Architecture Examinations.
6. Special conditions: Applications for the studentship shall be accompanied by a statement outlining the travel and study which the candidate proposes to carry out if elected. This must be submitted to the Head of the School of Architecture not later than 1 June. By the commencement of the Autumn Semester of the Final Year, the successful candidate shall furnish to the Head of the School of Architecture evidence of the study undertaken as a result of his or her tenure. The successful candidate shall spend the sum available exclusively upon study and shall submit to the Director of Finance an account of its expenditure as the University authorities deem necessary.
Thomson Reuters Law Prize
1. Frequency of award: One annually, not to be split between more than two prize winners.
2. Value of prize: £150 of Sweet and Maxwell books, with not more than one copy of any book being ordered.
3. Eligible candidates: Level 3 students reading for the Degree of LLB.
4. Assessors: The Examiners for the Final Examination for the above Degree.

Geoff Sykes Memorial Prize
This prize was founded in 2002 by colleagues of Geoff Sykes, Lecturer in Business Studies, who died on 20 November 1997.
1. Frequency of award: One annually.
2. Value of prize: £100.
3. Eligible candidates: Students reading for the MBA.

Iona Tarrant Prize
This prize was established in 2010 in memory of Iona Tarrant, Lecturer in Economics, and a member of staff in the Department of Economics from 2000 to 2008
1. Frequency of award: One annually.
3. Eligible candidates: Level 1 single and dual honours students in the Department of Economics.
4. Assessors: The Level 1 Examination Board in the Department of Economics.

Grant Thornton Prize
This prize was established in 1980 through the generosity of Thornton Baker, Chartered Accountants, to foster co-operation between the University and the Accountancy profession and to promote the study of Financial Management.
1. Frequency of award: One annually.
2. Value of prize: £150.
3. Eligible candidates: Undergraduate students in the Management School studying MGT250 at Level 2.

Turley Prize
This prize was established through the generosity of Turley
1. Frequency of award: One annually.
2. Value of Prize: £100.
3. Eligible candidates: Level 1 students registered for the degree of MPlan Urban Studies and Planning.

Turley Prize for Dissertation
This prize was established through the generosity of Turley.
1. Frequency of award: One annually.
3. Eligible candidates: Students registered for modules TRP324 Independent Specialised Study in Geography and Planning or TRP325 Independent Specialised Study in Planning.
Turley Prize for Masters Study in Town and Regional Planning

This prize was established through the generosity of Turley.

1. *Frequency of award:* One annually.
3. *Eligible candidates:* Students registered for the degree of MA Town and Regional Planning.

Turnbull-Halloran Prize for the Most Outstanding PGDE Student

The Halloran Prize was founded in 1966 by former students of Mr JH Halloran, as a tribute to 30 years’ work in the former Department of Education. The Turnbull Prize was founded by Mrs G Turnbull in memory of her husband, Emeritus Professor GH Turnbull, MA, PhD. This prize was established in 2017 and replaces the Turnbull-Halloran Travelling Prize in Education.

1. *Frequency of award:* Two annually.
2. *Value of prize:* £100.
3. *Eligible candidates:* Successfully completed students from the Postgraduate Diploma in Education programme.
4. *Assessors:* The Initial Teacher Education Committee of the School of Education.
5. *Criteria for assessment:* The two most outstanding PGDE students in the academic year. A student should be outstanding in the following areas (a) Classroom teaching (b) Commitment to school life beyond the classroom (c) Working collaboratively with school and university based colleagues (d) Relating their academic work to their classroom practice.

The Urban Wilderness Inspirational Planting Prize

1. *Frequency of award:* One annually
2. *Value of prize:* £350
3. *Eligible candidates:*
   1. Students in the Department who are candidates for the Level 3 BA and BSc in Landscape Architecture.
   2. Students in the Department who are candidates for level 2 of the MA in Landscape Architecture.
   3. Students in the Department who are candidates for the MLA in Landscape Architecture.
4. *Assessors:* The examiners in the Department of Landscape and Directors of Urban Wilderness
5. *Criteria for assessment:* This prize is awarded to a final year student who has shown outstanding creativity and resolution in ecologically based planting design in their final design project.

Stuart Walkland Prize

Founded in 1991 from subscriptions in memory of Professor Stuart Walkland, member of staff of the University from 1957 to 1985.

1. *Frequency of award:* One annually.
3. *Eligible candidates:* Level 1 students of Politics who were over the age of 21 on entry to the University and who have indicated that they wish to continue to take the programme of study in Politics or a programme of study in two subjects including Politics, or take Politics as a major subject of the programme of study in Social and Political Studies.
4. *Assessors:* The Examiners in Politics.
5. *Criteria for assessment:* The best overall performance in Politics, taking account of coursework, contribution to seminars and performance in the Level 1 Examination.

The Wardell Armstrong Prize in Landscape Planning

1. *Frequency of award:* One annually.
3. *Eligible candidates:* Level 3 students registered on the BA in Landscape Architecture with Planning.
4. *Assessors:* The Examiners in the Department of Landscape with the approval of Wardell Armstrong LLP.
5. *Criteria for assessment:* Submission of a portfolio of work, of a format to be prescribed in supplementary guidance.
6. *Special conditions:* Students will be required to present their portfolio to a panel of assessors comprising members of staff from the Department of Landscape and Wardell Armstrong LLP.
Howard Warrender Memorial Prize
Founded in 1986 in memory of Professor J H Warrender, Head of the Department of Politics from 1972 to 1985.
1. Frequency of award: One annually.
2. Value of prize: £100.
3. Eligible candidates: Level 1 students taking Politics.
4. Assessors: The Examiners in that subject.

R S Waters Prize in Physical Geography
This prize was established in 1983 with funds derived from donations by colleagues to mark the retirement of Professor R S Waters from the Chair of Physical Geography, which he had held since 1966.
1. Frequency of award: One annually.
2. Value of prize: Total value not exceeding the annual income from the endowment.
3. Eligible candidates: Students taking the programme of study in Geography for the Degree of BA or BSc.
4. Assessors: The Examiners in Geography for the Final Examination for the above programmes of study.

Stephen Welsh Prizes in Architecture
These prizes were founded in 1957 from funds subscribed on the occasion of his retirement by former students and friends of the late Professor Stephen Welsh, Head of the former Department of Architecture from 1928 to 1957.
1. Frequency of award: Two annually.
2. Value of prizes: Architecture, £200; Draughtsmanship, £200; in books to be chosen in consultation with the Head of the School of Architecture.
3. Eligible candidates: Architecture: Students taking the Final Examination for either of the Degrees or MArch in Architecture. Draughtsmanship: Students of any year in the School of Architecture.
6. Special conditions: The Draughtsmanship prize may not be awarded more than twice to the same student.

West Riding County Library Annenberg Award
The Library Committee of the former West Riding of Yorkshire generously established this prize using a gift of $1,000 from Mr Walter Annenberg, a United States Ambassador to Great Britain.
1. Frequency of award: One annually.
2. Value of prize: Total value not to exceed the income from the endowment.
3. Eligible candidates: Students reading for Degrees on taught postgraduate programmes of study in the Information School.
4. Assessor: The Head of the Information School and the Examiners of the relevant programmes.

John Westergaard Prize in Sociological Studies
This prize has been established to mark the contribution to the University of Emeritus Professor John Westergaard.
1. Frequency of award: One annually.
2. Value of prize: £75.
3. Eligible candidates: Level 3 students reading for the Degree of BA in Sociology.
Dr Brian Wragg Prize in Architectural Draughtmanship

This prize was established in 1984 from a gift by Dr Wragg on the occasion of his retirement from the former Department of Architecture after 33 years of service. It is intended that the prize reflects Dr Wragg’s interest in the development of architectural drawings. The School of Architecture shall be responsible for the mounting, presentation and framing of the winning submission.

1. Frequency of award: One annually.
2. Value of prize: £50.
3. Eligible candidates: All full-time students following taught courses in the School of Architecture.
5. Criteria for assessment: Work submitted in the School of Architecture for the sessional examinations in Architecture and which is considered by the Examiners as being worthy of exhibition either in the School or elsewhere in the University. Such work should comprise freehand drawings or sketches, either coloured or uncoloured.
