The Careers Service at the University of Sheffield provides a centralised “Noticeboard” and online vacancy service to advertise vacancies and voluntary opportunities it receives from employers which may appeal to students and graduates looking for work experience or graduate employment.

The Careers Service at The University of Sheffield reserves the right to edit vacancy adverts for purposes of brevity and clarity, and to decline to advertise vacancies or voluntary opportunities which it reasonably believes not to be in the best interests of students, graduates and the University.

The University does not recommend or advise students to apply for jobs on offer, and no responsibility will be accepted by the University for the:

- a) content of jobs offered and accepted by the student or graduate, or
- b) for the conditions of employment agreed between the employer and the student or graduate.
