UNDER 18s POLICY – ACCOMMODATION AND COMMERCIAL SERVICES 2019-20

The policy will apply to students housed in University owned/partnership accommodation whose 18th birthday falls after the first day of the Residence Contract of the year of entry to the University or to The University of Sheffield International College. This policy will not apply to students once they reach their 18th birthday.

1.0 Our responsibility to under 18 year old students

1.1 House all those students who fulfil the terms of the accommodation guarantee in University owned/partnership accommodation.

1.2 Where possible, give preference for vacancies in University owned/partnership accommodation to under 18 students who do not qualify for the guarantee.

1.3 House students in accommodation where support is provided by Residence Life or to a 24 hour staffed reception facility.

1.4 Ensure Disclosure and Barring Service (DBS) checks are carried out where appropriate and in line with University procedures, including any staff (or partnership staff) who have regular contact with under-18s.

1.5 Upon arrival, all under 18 residents will be contacted with information regarding support services, life at University and an outline of support offered to under 18s. Residence Life will provide a named contact person for students under the age of 18 (usually the Residence Life Coordinator) and offer to meet in person.

1.6 Residence Life staff will be available to meet with the under 18 resident within 10 working days of a request being made. Meetings can be arranged if requested to help address specific concerns including putting matters in perspective, giving practical guidance, and advising students about services that they might find beneficial.

1.7 Promptly inform the person(s) named as next-of-kin/guardian if we become aware that the student:
   a. Is in serious rent arrears – more than 1 term in arrears.
   b. Is in serious breach of the Residence Contract invoking the Disciplinary Regulations.

1.8 In all cases students are encouraged to involve a parent/carer and we will try to respect a student’s request for confidentiality. The student’s welfare is paramount and a decision to involve a parent/carer will only be taken when there are serious concerns regarding the wellbeing of the student.
