HOW TO COMPLETE YOUR ONLINE INVENTORY

1. FIRST THING’S FIRST
Before you can complete your inventory, you’ll need to have registered as a student and obtained your University computer account details and registration number. To do this, visit www.shefeld.ac.uk/registration.

2. GET THE BALL ROLLING
Log on to http://onlineinventory.shef.induction.org.uk/student and register for your inventory by entering your student registration number and creating a new password. Keep this password somewhere safe, as you will need it again to revisit your inventory throughout the year and to view details of any charges we notify you of.

3. COMPLETING YOUR INVENTORY
Now work your way through the inventory, going into as much detail as possible (it’s worth putting everything down, even things you think may not matter). You can always partially complete it and come back to it later but remember to save your progress before you log out. To log back in, go to: http://onlineinventory.shef.induction.org.uk/Login.aspx. If you share areas with other students, you are all responsible for the completion of the inventory. Get together and nominate one of you to complete and submit it on everyone’s behalf. Don’t submit it until you’re all happy. You must complete your inventory within 7 days of your contract start date.

4. ALMOST THERE
It’s now time to submit your inventory but before you do, make sure you are happy with it as you won’t be able to make any changes after this. Partially completed inventories won’t be accepted, nor will those that have been completed but not submitted.

5. CONFIRMATION
If you haven’t received an email within 24 hours of your submission, please check your submission went through. Contact inventoryqueries@shefeld.ac.uk if you have any further issues.

Your Inventory

What is an inventory?
An inventory is a quick online questionnaire which allows you to record the condition of your accommodation and furniture when you move in. You’ll be able to confirm details on all aspects of your property, such as whether your toaster is working, not working or missing. It will only take 5-10 minutes and our Maintenance Team will respond to any issues the maintenance team deem necessary to repair. For more information on the Maintenance Team and response times, please visit: www.sheffield.ac.uk/accommodation/student-info-and-guides/maintenance

Why complete an inventory?
Let’s be honest, no one wants to get charged for something that they didn’t do. We check everything before you arrive to make sure it meets our high standards and that nothing is broken, damaged or missing but sometimes things can be missed. Completing an inventory is your opportunity to make us aware of any issues with your accommodation and make sure you’re not charged for them.

Your inventory must be completed within seven days of your contract start date, otherwise it will be assumed that you are responsible for any damages and you may be charged out of your deposit to put them right.

For Shared areas
You’ll need to get together with the rest of your flatmates to go through the inventory together, with only one person submitting it.
What's the deal with deposits?

When you accepted your contract, you paid a deposit of £150. This is held in case you are responsible for any damage or cleaning issues in your accommodation. We want to maintain a high standard for you and future students so if there is a problem, those responsible will be charged out of their deposits to put things right.

How do you identify charges?

When we are made aware of an issue in your accommodation, by you, housekeeping or during an inspection, we identify whether it has been caused by general wear and tear or by wilful or accidental damage.

If it is caused by wear and tear, you won’t be charged. If we think it’s as a result of damage, whether accidental or on purpose, evidence such as a photograph will be taken and we’ll notify you by email with details of the damage and cost. The email we send will be to make enquiries in relation to the charge and no charge is applied at this stage.

When you move out, your room and shared areas will be inspected and compared to the information stated in your inventory. If there are any differences you will be charged.

Example: Chair material bobbling or wearing is classed as wear and tear, whereas stains on the carpet and chairs are classed as damage. Accidents do happen, but please treat your residence like a second home. Please report any issues to maintenance.
WHO'S CHARGED FOR WHAT?

PROBLEMS IDENTIFIED IN A BEDROOM
The individual resident will be charged

PROBLEMS IDENTIFIED IN SHARED KITCHENS, BATHROOMS AND LIVING AREAS
The cost will be split between all residents of the flat unless those responsible are identified

PROBLEMS IDENTIFIED IN SHARED HALLWAYS, STAIRWELLS AND LIFTS
The cost will be split between all residents in the block unless those responsible are identified
How will I be charged?

If any potential charges are identified during the course of the year, we will email you with details of the damage and cost and how to access further information through the inventory and charges system. You will then have the opportunity (normally 7 days) to raise any queries with us or discuss this further before the charge is deemed final.

Individual damage

If the charge is to be made, we will send you a link to make payment to us via the University’s payment portal. You can pay online using a debit/credit card or in person at the Income Office. Your account on the inventory and charges system will then be updated to show that you have paid.

Shared area damage

Once you’ve moved out, we will email you within 28 working days of your contract end date to advise you of any additional charges made and view what deposit refund is to be made to your account. You will then have the opportunity to discuss any charges with us. The cost will be taken from your deposit.

Charges amounting to less than £150

Amount deducted from your deposit and the remaining funds returned to you.

Charges amounting to more than £150

You will be sent a link to make payment via the University’s payment portal.

Following deposit returns you will have a number of weeks to raise a query with us before the charge is closed or a payment link is sent. If payment is not made within the advised timescale we may raise an invoice to you for the balance owed. If we discover an error on our part has been made, we will refund you.

How will my deposit be returned to me?

Any remaining balance of your deposit will be refunded into your bank account. To ensure you receive your refund as quickly as possible, you will need to confirm your UK bank account details. There will be a secure facility available via your online University account, MUSE, between May and July 2019 where you’ll be able to provide us with your correct details.
What happens at inspection?

Your room and shared areas are checked to make sure they are clean and tidy. It is also a chance for us to identify any damage to property, fixtures or fittings, and check.

Housekeeping Inspection

What is a housekeeping inspection?
Fear not, a Housekeeping inspection is simply an opportunity for us to come and see how you are looking after your accommodation - and check whether you’re maintaining cleaning standards and spotting if there's any damage.

When will my inspection take place?
You’ll be notified a week in advance of your inspection, so you’ll have plenty of time to prepare. If you need advice on passing an inspection, speak to your Residence Life Mentor.

If you need advice on passing an inspection please email housekeeping on ACSserviceTL@sheffield.ac.uk
Inspections

How to pass a mid-year inspection

- Tidy away any mess
- Mop and vacuum floors
- Wipe down the bathroom tiles, sink and toilet
- Wash the shower curtain in the washing machine and hang it back up to dry
- Clean and tidy all work surfaces
- Take out all rubbish and recycling
- Clean inside and outside of the cooker and microwave

Remember that sharing the cleaning and tidying amongst your flatmates will make things much easier! At the start of your contract your Residence Life Mentor will visit your flat and help you create your flatmate agreement, which will include a cleaning rota.

Failing a mid-year inspection
If your room, en-suite or shared areas aren’t clean and tidy, you’ll have seven days to put things right. If it’s still not up to standard you’ll be charged out of your deposit for cleaners to come in.
What is an end of year inspection?

An end of year contract inspection takes place once you have vacated your accommodation. It is a chance for us to have a thorough look at the property.
