Congratulations on being accepted into the Sociological Studies Department at the University of Sheffield. Some of the best years of your life are about to begin! You’re probably beginning to think about what you will want to get involved in when you come to Sheffield, so we thought we’d introduce ourselves. We are SocSoc, the official society for those studying in the Department of Sociological Studies.

SocSoc is a friendly and sociable society ran by a committee of second and third year students. Our goal is to provide you with friendly and educational support throughout your time in Sheffield from fresher’s week all the way to grad week. We pride ourselves on being an inclusive and informative service for all students, providing members with a range of opportunities to get involved with beyond your contact hours.

Some of the exciting things that the committee are organising for the up-coming year include:

- A huge freshers bar crawl.
- Netball and football teams to take part in the intra mural league.
- A trip to Krakow.
- A regular sociological film club.
- The end of year ball.

These are just some of the things that you can get involved with throughout the year if you are a member of SocSoc!
We are so excited to meet you all in September, enjoy the rest of your summer and see you soon!
