HCS 275	Speech, Language and Communication Development	27* Dec 2018 – 18 March 2019 *NB Thurs	Monday 28 Jan 2019	Monday 18 March 2019
HCS 277	Speech, Language and Communication Needs	18 March – 10 June 2019	Monday 29 April 2019	Monday 10 June 2019
HCS 280	Working with Children with Speech, Language and Communication Needs	10 June – 2 September 2019	n/a	Monday 2 September 2019

**^ Please note:** there is a break over Christmas between the end of module HCS 276 and the start of HCS 275, but the remaining modules run consecutively without a break through to September. Note that the second module, HCS 275, starts on a Wednesday between Christmas and New Year. If you are unable to study at this time, it is possible to catch up over the following weeks.

These dates are highly likely to remain unchanged. There is a small possibility that some may need to be amended slightly after the course has started, in which case students will be informed.

#### UK Calendar year dates:

Autumn Half-term School Holiday: Sheffield Schools - Monday 29 Oct-Friday 2 Nov 2018 (but varies by region)

Easter 2019: Good Friday – 19<sup>th</sup> April; Easter Bank Holiday Monday – 22<sup>nd</sup> April.

May Day Bank Holiday 2019 – 6<sup>th</sup> May.

August Bank Hol 2019: 26<sup>th</sup> August

## **First Study Block: 17<sup>th</sup> – 18<sup>th</sup> September**

This Study Block will take place at the University in Sheffield. University Maps: <http://www.shef.ac.uk/visitors/mapsandtravel/university>

We will send you more information later in the summer on the specific venue, travel and accommodation (for those of you needing to stay overnight).

The approximate times for the first Study Block will be:

**Monday 17<sup>th</sup> September:        9.30 am to 4.30 pm**

**Tuesday 18<sup>th</sup> September:       9.00 am to 4.00 pm**

## **Further Pre-Course Information**

We will provide access to a pre-course online site which contains useful information about the course. Please check your email account for messages about this.

Please note that there is no requirement to buy textbooks for the course as all core readings are available electronically via the University Library.

There is no obligation to do any preparation for the start of the course. However, there will be some study skills and other information available via the pre-course online site.

To study on the course, you will need to have access to an up-to-date computer with a good internet connection. You will need to be able to use the internet confidently and word process documents.
